Dean's Diversity Seminar Series

Women in Medicine and Science: Building an Inclusive Culture

Sponsored by:

Texas Tech University Health Sciences Center, Paul L. Foster School of Medicine, Office of the Founding Dean, Office of Diversity Affairs and the Office of Continuing Medical Education

Presented by:

Claire Pomeroy, M.D., M.B.A.

Chief Executive Officer, UC Davis Health System
UC Davis Vice Chancellor for Human Health Sciences
Dean, School of Medicine

Upon completion of this program the participant should be able to:

- Define the term, '*leaky pipeline*', and its relationship to gender equity in hiring and promotion on university campuses
- Identify factors that impact the entry, retention and advancement of women in medicine and science
- Interpret how a culture of equity facilitates the professional success of women in academic medicine and science
- Participate in establishing and implementing institutional changes that create an environment of inclusion, opportunity and equity for all

TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER™ *at* El Paso
