Login Instructions

Web Site – **http://www.ttuhsc.edu/admin/safety**
Click on Training on Left Navigation Bar

Step 1 – Click eRaider Sign In Button and sign in with your eRaider username & password.

Step 2 – If you are not seeing your **Laboratory Safety Essentials** heading as shown below, please check the box to the top right of the page found by these words: I work in a lab. ☐

Step 3 – Click the **General Lab Safety** heading to begin the LSE course. Then continue to the remaining 3 subcourse links.

✓ Indicates **COMPLETE** ✗ Indicates **INCOMPLETE** 🔒 Indicates **LOCKED exam**

Step 4 – Once you see a **(✓)** by the **Laboratory Safety Essentials** heading**,** your lab training is complete. Completion of all 4 course exams with a passing score of 80% is required.

If you need assistance or need your LOCKED (🔒) course exam(s) reset,
please call the Safety Services Laboratory division in Lubbock,
Monday-Friday, 8am-5pm: 806-743-2597
