Welcome to a new Fiscal Year! The Education and Training division of Safety Services is continuously working to make USO work uncomplicated and simple. We have worked hard to improve the USO Admin Controls system based on your suggestions for improvements. I hope that these changes will help make your safety training tracking efforts easier. We look forward to hearing your comments as the year progresses.

Thank you for the support you gave to Safety Services this past 2011 Fiscal Year. The summary of final Safety Training compliance numbers for all campus sites below shows awesome results. Overall, TTUHSC has achieved a **95% compliance rate for both** New Employee Safety Orientation Program (NESOP) and Refresher Safety Training. Please share your department's SUCCESS with all your employees! Thank them for their training efforts!

See the back of this page for a look at the progress over the last three years.

Congratulations to each campus for a successful year! Every USO has done a great job!

We now begin a new Fiscal Year; we know we can count on your continued support. Don't hesitate to call us any time you need assistance. Together, we can make it happen!

Sincerely,

Maria Garza
