November 19, 2018

Happy Thanksgiving and thank you all for your hard work in the clinic and in your research endeavors.

Mr. Smiley Garcia spoke at the Regional Research Advisory Committee Meeting about the many alternate funding opportunities available for faculty. Click the image below for more information on Mr. Garcia's presentation.

TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER

The Writing Center services are now open to all faculty, residents, staff, and students on ALL TTUHSC campuses (except El Paso since they are a separate institution)--- please share this with anyone preparing publications, grant applications, etc.

The Mary Kay Foundation has reached out to the TTUHSC Development Office with a proposal request for grant funding. This funding will *target research in ovarian, uterine, breast or cervical cancers*. The Mary Kay Foundation has limited TTUHSC to submit *one grant application.* Proposals will be reviewed and scored by an internal review committee who will recommend which application will represent our institution. Below are the proposal guidelines. Please submit proposals to Smiley Garcia by 5:00 pm CST, Friday, January 18, 2019, via email (smiley.garcia@ttuhsc.edu). Below are the requirements for the grant application, and additional information from the foundation for your reference. If you have any questions, please contact Smiley Garcia at the info below.

Grant Proposal Guidelines:

INTERNSHIP OPPORTUNITY

United States Census Bureau **Center for Economic Studies**
Dissertation Mentorship Program

The Center for Economic Studies wants to assist doctoral candidates who are actively engaged in dissertation research in economics, sociology, demography, or a related field using Census Bureau microdata at a Research Data Center.

Program participants receive two principal benefits:

- One or more CES staff researchers are assigned as mentors and advise the participant on the use of Census Bureau microdata.
- A visit to the Census Bureau where they meet with researchers from CES and elsewhere and present research in progress. Trip expenses (airfare, hotel, and meals) will be paid for by CES.

Eligible candidates must be:

- Actively working on a Ph.D. thesis in economics, sociology, demography, public policy, or a related field using Census Bureau microdata at a Research Data Center.
- A U.S. citizen.

To apply, email the following to Randy Becker (randy.a.becker@census.gov):

- Contact information, name(s) of faculty advisor, and expected completion date, or a CV with that information.
- Title and abstract of RDC-based dissertation research, including a description of the microdata being used.

Deadline:

- Acceptance will be on a rolling basis, as funding and staffing resources allow.
