# NATIONAL SEXUAL ASSAULT AWARENESS MONTH

APRIL 2024

## **Our Voices Have Power. Together, We Can Build Safe & Respectful Communities.**

**Building Connected Communities** is the 2024 campaign theme for Sexual Assault Awareness Month (SAAM). This month, let's work together to draw attention to the prevalence of sexual assault and educate ourselves and our campus communities about how to prevent it. Building Connected Communities helps us reduce the likelihood of sexual abuse, assault, and harassment in our communities. Any space where people come together is a community, whether in neighborhoods, workplaces, campuses, organizations, or even online spaces.

## **CONNECT WITH YOUR COMMUNITY**

The Step into Hope Awareness Walk is an exciting opportunity to walk together to raise awareness for sexual assault survivors in our community! The first 30 people to join the HSC Step into Hope Team will be registered at no cost!
