New Volunteer Safety Orientation

Welcome to Texas Tech University Health Science Center! As part of an ongoing effort to maintain a safe work environment for TTUHSC faculty, staff, students, and volunteers, the TTUHSC Safety Services Department provides a Safety Orientation Program. This training fulfills the requirements for federal, state, and TTUHSC mandated safety education and training regulations and procedures. All new employees, students, and volunteers are required to complete their training prior to beginning any HSC-related activities.

Login Instructions

Login to Web Site – http://www.ttuhsc.edu/admin/safety/vol

Step 1 – Click on BEGIN TRAINING

Volunteer Safety Orientation

Welcome to Texas Tech University Health Sciences Center! To ensure you are eligible to volunteer your time and start at the institution.

Program Overview

This program includes basic training on areas of safety awareness, emergency procedures, infectious disease control, personal protective clothing and equipment, electrical safety, ergonomics, workplace violence, and hazardous communication.

The complete online course has 5 courses:
- Accident Prevention
- Emergency Procedures
- Hazardous Communication Act
- Infectious Diseases Exposure Policy
- Safety Programs

You will need your Volunteer ID number to access the training. If you do not have this number, please contact Veneta Fultz, Director of Volunteer Services, (806) 743-5236.

BEGIN TRAINING

Step 2 – Type in your Volunteer# and Click Submit

Volunteer Services Safety Orientation Program
