

Pharmacy

The Student Health Fee does not include a prescription benefit; thus, students are responsible for medication costs. However, a discounted option for pharmacy services includes Wal-Mart's \$4 Generic Drug program. The Family Medicine clinic should be able to provide more information.

Confidentiality

All Medical records are strictly confidential. By federal law, information cannot be released to anyone without the written consent of the patient, except as required by a court. You may have copies of your medical record upon request. We will be happy to send copies of laboratory tests or other information to your physician of choice, upon your written release.

Eligibility

The Texas Tech Physicians' Family & Community Medicine clinic provides health services to TTUHSC students who are currently enrolled and have paid the Student Health Fees as part of tuition and fees. To receive health services, you must present a Student I.D. card at the time of the appointment. If you also have private insurance in addition to Student Health Services, you will need to submit your receipt for the co-pay to your insurance company for reimbursement.

The Student Health Fee covers only those services listed in this brochure and ordered by the TPP Family & Community Medicine Physicians. All other charges incurred are your responsibility.

Clinic Appointments

- ◆ You can either make appointments the same day you want to be seen or make an appointment for a future date (future appointment availability will be limited). This means that you can see one of our doctors when you want to. To make an appointment, please contact a scheduling clerk at the phone number below.

Texas Tech Family Medicine Center
