

Fall 2023 GLOBAL HEALTH LECTURE SERIES

Lessons Learned in Panama: Perspectives from Medicine, Nursing, & Public Health Domains

Featuring

Neeti Swami, TTUHSC MD/MPH Student
Colby Gordon, TTUHSC MD/MPH Student
Alec Thammaraksa, TTUHSC BSN/RN Student

Tuesday, November 14, 2023

12:00 PM - 1:00 PM

Zoom ([register here](#))

This presentation offers personal insights and experiences from students in the fields of medicine, nursing, and public health, highlighting the key lessons learned from their interprofessional efforts in Panama. It explores the intersection of these disciplines and the practical takeaways for improving healthcare and public health initiatives.

This event is free and open to the public.
No RSVP is required.
