

Texas Tech University Health Sciences Center

Post baccalaureate certificate in Clinical Laboratory Science/Medical Technology/Technologist

Program Length: 12 months

Students graduating on time

N/A* of Title IV students complete the program within 12 months¹

*Fewer than 10 students enrolled in this program. This number has been withheld to preserve the confidentiality of the students.

Program Costs*

\$11,615 for in-state tuition and fees

\$24,360 for out-of-state tuition and fees

\$2,100 for books and supplies

\$13,285 for off-campus room and board

Other Costs:

No other costs provided.

Visit website for more program cost information: www.ttuhscc.edu/health-professions/documents/SHP_16_17_Catalog_Rev_Feb_17.pdf

*The amounts shown above include costs for the entire program, assuming normal time to completion. Note that this information is subject to change.

Students Borrowing Money

69% of students who attend this program borrow money to pay for it²

The typical graduate leaves with

N/A* in debt³

*Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.

The typical monthly loan payment

N/A* per month in student loans with **N/A*** interest rate⁴.

*Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.

The typical graduate earns

not provided per year after leaving this program⁵

Graduates who got jobs

96% of program graduates got jobs according to the [accreditor job placement rate](#)⁸

Program graduates are employed in the following fields:

Health Specialties Teachers, Postsecondary: <http://onetonline.org/link/summary/25-1071.00>

Licensure Requirements⁶

*Program has no licensure requirements in any state.

Additional Information:

Note, all items are based on Second Degree & Post Baccalaureate Certificate Programs in Clinical Laboratory Science, NOT solely Laboratory Certificate as we cannot separate the survey as it is anonymous. Total N for both Second Degree & Post Baccalaureate Certificate programs for 2016 graduating class was 36. Of the 36, 26 were Post Baccalaureate Certificate graduates

Date Created: 7/5/2017

These disclosures are required by the U.S. Department of Education

Footnotes:

1. The share of students who completed the program within 100% of normal time (12 months).
2. The share of students who borrowed Federal, private, and/or institutional loans to help pay for college.
3. The median debt of borrowers who completed this program. This debt includes federal, private, and institutional loans.
4. The median monthly loan payment for students who completed this program if it were repaid over ten years at a NA* interest rate.
5. The median earnings of program graduates who received Federal aid.
6. Some States require students to graduate from a state approved program in order to obtain a license to practice a profession in those States.
7. State Job Placement Rate: N/A

8. Accreditor Job Placement Rate:

Name of the accrediting agency this placement rate is calculated for:

National Accrediting Agency for Clinical Laboratory Science

Follow the link below to find out who is included in the calculation of this rate:

http://www.ttuhsu.edu/health-professions/bachelor-of-science-clinical-laboratory-science/gainful_employment.aspx
(http://www.ttuhsu.edu/health-professions/bachelor-of-science-clinical-laboratory-science/gainful_employment.aspx)

What types of jobs were these students placed in?

The job placement rate includes completers hired for: Jobs within the field

Positions that recent completers were hired for include: Clinical Laboratory Scientists (CLS)/ Medical Laboratory Scientists (MLS)/ Medical Technologists, Managers/ Supervisors within Clinical Laboratory Scientists, Computer Technology (Laboratory Information System), Industry/Sales

When were the former students employed?

This rate is based on program completers who were employed within 180 days post-graduation

How were completers tracked?

Completer/alumni survey (61% response rate)
