Faculty/Staff/Student Position

- Complete the Position Request Form located under Forms on the HR website.

- Complete the PDQ form for most staff positions. PDQ’s are not required in HR for a career track advancement, however, the departments are encouraged to maintain one to provide to the employee. (Departments should maintain copies of all PDQ’s for their employees.)

- Submit through local HR office for approval.

- When position is approved, the information will be entered into Banner and a copy of the approval will be sent to department and local HR office. A PAF will not be needed.

- Actions will be effective the first of the month following approval.
