TTUHSC Performance Management  
(Jan-Feb 2011)

Fundamentals

What is Performance Management?

“The process of linking the work of each employee to accomplish the HSC mission while striving to achieve the performance and rewards both the supervisor and employee desire.”

Performance management focuses on the supervisor's basic responsibility... Encouraging results through the efforts of other individuals.

Why do we do Performance Management (and performance evaluations) at TTUHSC?

HSC OP 70.12 - Performance Management – Current Policy

General Policy

Each administrator is charged with responsibility for the development and communication of job standards and other work criteria to the employees under the administrator’s charge.

Annual performance evaluations are due during the month of February. Performance evaluations are also to be completed:

– After Initial 6-months of employment
– 3-months after NI (Overall)
– 3-months after a “1” on a job function
– As needed...

Administrative officers will review with each reviewer the process used for determining the merit of each staff member’s performance in order to insure that performance appraisals are conducted without regard to an employee’s race, color, religion, sex, age, disability, national origin, Vietnam Era or Special Disability Veteran status, genetic information, or refusal to submit to genetic testing.

Improvements/Changes

- **A NEW Philosophy:**

  **PM Philosophy Statement:** Texas Tech University Health Sciences Center (TTUHSC) recognizes all employees as essential to the institution’s overall success. This success is achieved by fostering a work environment in which employees are empowered to perform to the best of their abilities. To facilitate such an environment, TTUHSC is committed to a performance management system that:

  - Aligns the efforts of supervisors and employees with TTUHSC’s mission and vision;
  - Promotes accountability in performance assessment;
  - Operates with consistency, equity, and transparency;
  - Recognizes the talents, fosters the development, and optimizes the performance of all employees;
  - Encourages effective communication between supervisors and employees and
  - Rewards excellent performance.

TTUHSC believes that effective performance management is an ongoing process. Therefore, all employees are expected to incorporate the performance management process as an integral part of the daily work environment at TTUHSC.
