HSC OP: 76.11, Hunting on Texas Tech Property

PURPOSE: The purpose of this Health Sciences Center Operating Policy and Procedure (HSC OP) is to establish a policy regarding hunting on Texas Tech property.

REVIEW: This HSC OP will be reviewed by May 1 of every fourth year (E4Y) by the Chief of Police. Recommendations for revisions will be forwarded to the Executive Vice President for Finance and Administration by May 15.

POLICY/PROCEDURE:

Hunting by any method is prohibited on all property belonging to Texas Tech. Farmlands, rangelands and other property are posted against trespassing, hunting and the discharge of firearms or any other type of weapon.

In the event that scientific specimens must be obtained or that Texas Tech property, such as farmlands, require the extermination by firearms of rodents or other animals presenting a threat to the land or growth thereon, a means of collection and/or extermination will be organized by the Chief of Police, with express authority obtained through the University Counsel (TTU).
