I. Introduction

These regulations are established by Texas Tech University Health Sciences Center in order to facilitate the safe and orderly conduct of business and to provide registered vehicles parking space as conveniently as possible within the limits of space available. Operating a motor vehicle on campus is a privilege and is conditioned, in part, on complying with these rules and regulations.

II. Applicability of State General and Criminal Laws

Section 51.201 of the Texas Education Code provides that: “All the general and criminal laws of the state are declared to be in full force and effect within the areas under the control and jurisdiction of the state institutions of higher education of this state.”

III. Authority of Board of Regents to Make Rules and Regulations

Section 51.202 of the Texas Education Code provides as follows: “Rules and Regulations: Penalty—
A. The governing board or each state institution of higher education, including public junior colleges, may promulgate rules and regulations for the safety and welfare of students, employees, and property, and other rules and regulations it may deem necessary to carry out the provisions of this subchapter and the governance of the institution, providing for the operation and parking of vehicles on the grounds, streets, drives, alleys, and any other institutional property under its control including, but not limited to, the following:
1. limiting the rate of speed;
2. assigning parking spaces and designated parking areas and their use and assessing a charge for parking;
3. prohibiting parking as it deems necessary;
4. removing vehicles parked in violation of institutional rules and regulations or law at the expense of the violator; and,
5. instituting a system of registration for vehicle identification, including a reasonable charge.
B. A person who violates any provision of this subchapter or any rule or regulation promulgated under the authority of this subchapter is guilty of a misdemeanor and on conviction is punishable by a fine of not more than $200.”

IV. The following are the rules and regulations that apply to all of the Health Sciences Center campuses, where applicable, including fee and refund schedules, to be effective for the academic year for students and the entire fiscal year for faculty/staff.

V. General Regulations for Traffic and Parking

A. Texas Tech is committed to the principle that in no aspect of its programs shall there be differences in the treatment of persons because of race, creed, national origin, age, sex, or disability, and that equal opportunity and access to facilities shall be available to all.

B. Due to the diverse nature of operations between the University and the Health Sciences Center campuses, it is necessary to have certain regulations that pertain to the specific institution; these are submitted separately by each institution. Following are the regulations that apply to Texas Tech as defined in C.1 below.

C. Definitions
1. The campus is defined as all lands owned, managed, or otherwise controlled by the various Health Sciences Center campuses, herein called “Texas Tech”.
2. Impoundment refers to the actual towing of a vehicle or immobilizing a vehicle by means of an “Auto-Boot”.
3. A visitor is an individual with no official connection with Texas Tech as a student, faculty, or staff member.
4. A valid parking space is defined as an area designated on three sides by lines and/or posts, curbs, or other types of barriers for the explicit purpose of parking a motor vehicle.

5. A shared-use path is a pathway created and signed for the simultaneous use of pedestrians and bicycle traffic.

D. Texas Tech makes every effort to provide protection for vehicles parking on campus, but cannot assume responsibility for any loss.

E. The person to whom a vehicle is registered with Texas Tech is responsible for all violations of the parking rules and regulations. If a vehicle is not registered with Texas Tech, and a family member is a currently enrolled student, it shall be presumed that the student is the operator of the vehicle and is responsible for all violations of the parking rules and therefore subject to all Texas Tech traffic rules, policies, and penalties associated with monetary obligations owing Texas Tech.

F. Pedestrians in crosswalks will be given the right-of-way at all times.

G. Speed limits on campus are radar and/or lidar enforced.

H. No person shall drive, cause or permit a vehicle to be driven on Texas Tech property at a speed greater than is reasonable and prudent under the circumstances then existing, but any speed in excess of the posted limits shall be prima facie evidence that the speed is not reasonable and prudent and that it is unlawful:

   **Speed Limits**
   1. Campus Streets: Twenty miles per hour, unless otherwise posted.
   2. Parking Lots: Ten miles per hour, unless otherwise posted.
   3. Parking Garages: Five miles per hour, unless otherwise posted.

I. Inoperable, damaged, or dismantled vehicles are to be reported to the appropriate Parking Services Office as soon as possible. Operators should identify their problem immediately and follow the instructions given.

J. The campus is restricted for use as described in these regulations. Any vehicle in violation of the regulations or not having a valid Texas Tech registration permit properly displayed may be issued a campus citation.

K. Skates and Skateboards
   On the campus of Texas Tech (as defined in Section IV.c.(1) of these regulations):
   1. No person may skate or use a skateboard
      a. on or in any University buildings, structures, stairways, elevated sidewalks, access ramps, steps, retaining walls, handrails, malls, benches, fountain areas or other architectural elements;
      b. on or in planting areas, grass areas or seeded areas;
      c. on streets open for vehicular traffic;
      d. where prohibited by sign, by police officer, or where otherwise prohibited by law; or,
      e. in a manner that is incompatible with the flow of vehicular or pedestrian traffic.
   2. No person may use a skateboard in such a way that it is
      a. not under the control of the user; or
      b. operated in an unsafe manner.
   3. No person who is skating or using a skateboard may fail to yield the right-of-way to
      a. a pedestrian;
      b. a bicyclist;
      c. a motor vehicle; or
      d. a wheelchair or other device designed for the transport of persons with disabilities.

   Pursuant to Section 51.202, Texas Education Code, a person who violates any provision of this regulation is guilty of a misdemeanor and upon conviction is punishable by a fine of not more than $200.

L. These regulations apply to all persons who operate vehicles on Texas Tech property.

M. The Chief of the Texas Tech Police Department, the Director of Student Business Services at the Health Sciences Centers (responsible for managing the parking function on that campus), and the
Managing Director of University Parking Services on the University campus are responsible for the implementation and the just and proper enforcement of these regulations.

N. The parking wheel stops and curbs located all over campus are six inches tall. Many newer and some older model vehicles have special ground effects, attachments, air dams, fog/driving lights, or other attachments that reduce ground clearance under the vehicle. Driving such vehicles over the parking wheel stop or curb may cause damage to these vehicles. Drivers are urged to use caution when parking vehicles to avoid damage. Texas Tech University System assumes no responsibility in such cases.

VI. Vehicle Registration

A. In order to operate or benefit from the use of a motor vehicle on campus, each member of the Texas Tech community must obtain and display, in his or her name, a vehicle registration permit. No person may register a motor vehicle in his or her name which belongs to another student, faculty, or staff member. Violation of the Traffic and Parking Regulations is prohibited by the Student Affairs Handbook and Texas Tech policy. To benefit from the use of parking spaces designed for persons with disabilities, an eligible faculty/staff member or student MUST display a state issued placard or license plate as well as a Texas Tech disability permit.

B. Students are required to register each motor vehicle to be operated on campus at the time they register for school or at the time they commence operating a motor vehicle on campus.

C. Faculty and staff are required to register their motor vehicles on or before the date they commence operating a motor vehicle on campus. Faculty and staff who share a motor vehicle where one is employed at the University and the other at the Health Sciences Center, must register at each campus if they intend to park at both campuses.

D. Faculty and staff, whose dependents are students, may allow those dependents to register a commonly operated motor vehicle for a student permit in addition to the reserved permit. If the faculty or staff member has two motor vehicles registered, and if both motor vehicles are on campus at the same time, the motor vehicle with the student permit must be parked in the designated student parking area and not in either the faculty or staff member’s reserved space or in the time limit areas on campus.

E. Any person giving false information when registering a vehicle is subject to appropriate disciplinary action and revocation of their motor vehicle registration permit and related parking privileges.

F. Texas Tech issues two types of registration permits, non-transferable and transferable.
   1. Non-transferable Permits
      Non-transferable permits must be permanently affixed to the front windshield in the lower corner of the driver’s side. All such permits are self-adhering and application in any other manner may subject the motor vehicle to ticketing. Vehicle registration is not complete until the permit is properly and completely affixed to the motor vehicle of record.
   2. Transferable Permits
      Transferable permits are designed and intended to be hung from the rearview mirror. The purpose of these permits is to allow the owner to move them from vehicle to vehicle; the permit MUST be displayed on the motor vehicle parked on campus. Be sure to contact Parking Services personnel if you have any problems with your transferable permit. The Texas Tech Police Department recommends you properly secure your vehicle and any valuables contained therein.
      3. All permits are for the exclusive use of the registrant. Permits may not be sold, exchanged, given away, or purchased from any person or agency other than Texas Tech.
      4. Permits remain the property of Texas Tech and may be recalled at any time.
      5. All outdated Texas Tech registration permits must be removed from the motor vehicle(s) prior to installation of the current year permit.

G. Lost or stolen permits should be reported as soon as possible to the Texas Tech Police Department and the appropriate Parking Services Office. The recovery of a lost or stolen permit must be reported immediately to the Texas Tech Police Department and the appropriate Parking Services Office.
H. Replacement Permits
   1. Replacement for a non-transferable permit will be issued when identifiable remnants or proof of loss or destruction of the permit are provided. The replacement fee indicated in the current fee schedule will be charged for each replacement permit.
   2. Replacement for a transferable permit which is reported lost or stolen will be issued the first and second time for the replacement fee indicated in the current fee schedule; thereafter, the cost will be the full price of the permit.

I. Persons who hold non-transferable reserved registration permits and are assigned reserved spaces may obtain one duplicate permit at no additional charge. Additional permits may be purchased for the replacement fee indicated in the current fee schedule. Duplicate permits do not allow for more than one motor vehicle to be on campus during the reserved period.

J. Persons who hold Health Sciences Center registration permits and are assigned to Reserved or Area Reserved spaces may also park on the University campus in Visitor, Time Limit, and Park and Pay spaces. University Reserved and Area Reserved permits will be honored in Health Sciences Center Patient and Visitor parking spaces. Parking is restricted to use in the individual’s capacity as an employee which does not include attending class as a student.

K. Upon termination of employment with Texas Tech, an employee’s parking privileges are revoked. If the registration permit(s) is returned to the appropriate Parking Services Office, the refund in effect at the time it is returned will be issued.

VII. Parking Enforcement, Parking Violations, and Sanctions

A. Parking is governed by markers and traffic signs. Parking is permitted only in areas clearly identified for parking.

B. The absence of “No Parking” signs does not imply that parking is allowed. Street parking is prohibited except where signs indicate parking is permitted.

C. The following illegal parking acts may result in a citation being issued:

<table>
<thead>
<tr>
<th>Violation</th>
<th>Fine</th>
</tr>
</thead>
<tbody>
<tr>
<td>**1. Parking in non-designated areas.</td>
<td>$25.00</td>
</tr>
<tr>
<td>2. Permit not properly installed.</td>
<td>10.00</td>
</tr>
<tr>
<td>**3. Parking in a fire lane.</td>
<td>50.00</td>
</tr>
<tr>
<td>4. Failure to remove expired permit(s).</td>
<td>20.00</td>
</tr>
<tr>
<td>**5. Parking in a no parking or tow away zone.</td>
<td>25.00</td>
</tr>
<tr>
<td>**6. Parking in service vehicle spaces, service drives, or access drives.</td>
<td>20.00</td>

<td>25.00</td>
</tr>
<tr>
<td>**15. Parking a motor vehicle upon any unmarked (including turf) or unimproved ground which has not been designated for parking.</td>
<td>75.00</td>
</tr>
<tr>
<td>**16. Parking in a space or area designated for persons with disabilities without the proper insignia.</td>
<td>200.00</td>
</tr>
<tr>
<td>**17. Blocking an access ramp or curb cut designed to aid persons with disabilities.</td>
<td>200.00</td>
</tr>
<tr>
<td>**18. Display or use of a lost, stolen, forged, revoked, or altered permit. Such violation may result in the responsible party/parties being referred to the appropriate office for disciplinary action which may include loss of parking privileges for the remainder of the academic year.</td>
<td>Up to 200.00</td>
</tr>
</tbody>
</table>
**19.** Other parking violations as defined on the face of the citation. 20.00
20. Failure to display transferable permit. 10.00
21. Failure to pay at Pay Station. 20.00

**Impoundable Offenses**

D. In the State of Texas, motorcycles, mopeds, and bicycles are subject to the same rules and regulations as automobiles. Operators are subject to a moving violation, to be adjudicated in a court of competent jurisdiction as provided in the Texas Education Code, Section 51.208, for failing to comply with the Official Texas Motor Vehicle Laws and these Regulations. Examples of the most common bicycle violations are:
1. Riding on sidewalks or other prohibited areas
2. Failing to stop at stop signs and red lights
3. Failing to yield right-of-way to pedestrians in crosswalks
4. Operating bicycle without proper lights and reflectors when required
5. Failing to drive on the right side of the roadway

The maximum fine for violation of these STATE LAWS is $200.00.

E. Motorcycles and mopeds must be parked in areas designated for parking of such vehicles. Motorcycles and mopeds are not permitted to park in time limit areas unless registered to a vehicle that displays a reserved or area reserved permit.

F. All motorcycle registration permits are issued for the academic year for students and the fiscal year for faculty and staff. They may be purchased at any time during the year at a rate that is prorated monthly.

G. Bicycles should be parked in racks whenever available. Use of shrubs, trees, or any architectural structures to secure bicycles is prohibited. Bicycles are not permitted in Texas Tech academic or administrative buildings. Any bicycle found in violation of this subsection may be impounded. The normal impoundment fee is $40.00. THE IMPOUNDMENT FEE DOES NOT INCLUDE THE COST OF THE CITATION OR ANY APPLICABLE STORAGE FEES. (See Section IX.A. 1 and 2)

H. No person shall operate a bicycle or any other vehicle upon a sidewalk or sidewalk area except those vehicles expressly designed for the transport of persons with disabilities and bicycles operated by officers of the Texas Tech Police Department when necessary to fulfill their lawful duties. Bicycles operating on a shared-use pathway must yield right-of-way to pedestrians and operate at a speed and in a manner consistent with public safety.

I. Bicycle registration is encouraged and conducted free of charge, 24 hours a day, at the Texas Tech Police Department.

J. Any bicycle or locking device not removed from campus at the end of the Spring Semester may be considered abandoned and may be properly disposed of through Property Inventory.

K. Scooters that are not required by State Law to obtain vehicle registration and inspection are not required to obtain a parking permit, and are not allowed to park in motorcycle or vehicle parking spaces. Individuals operating scooters on campus must adhere to the regulations pertaining to bicycles.

L. Moving Violations
1. All the general and criminal laws of the state are declared to be in full force and effect within the areas under the control and jurisdiction of the state institutions of higher education of this state, Section 51.201, Texas Education Code. All violations as set forth above may be adjudicated in a court of competent jurisdiction as provided in the Texas Education Code, Section 51.208.
2. It shall be unlawful for any person to drive, operate, push, park, or leave standing a motor vehicle on any area of the campus not designated for driving such a motor vehicle.
3. It shall be unlawful for any person to drive by, through, or beyond a barricade or roadblock that is lawfully erected.
4. No person shall willfully fail or refuse to comply with any lawful order or direction of any police officer vested by law with authority to direct, control, or regulate traffic.
VIII. Resolving Citations

Citations for parking violations may be resolved in one of the following ways:

A. Pay the stated fee for each citation. If payment is not received within ten (10) calendar days, an additional $5.00 charge will be assessed. Citation payment information for the TTUHSC Lubbock campus can be found online at www.fiscal.ttuhsc.edu/parking/.

B. Appeal the citation in writing, within ten (10) calendar days of the alleged violation, through the appropriate Parking Services Office. Appeal notices must be submitted online for the TTUHSC Lubbock campus. Appeal information can be found online at www.fiscal.ttuhsc.edu/parking/. For those who do not have access to the internet, a terminal is available for use in the Parking Services Office, Room BB097.

C. The Presidents shall provide equitable and efficient appeals processes through the establishment of a Parking Violation Appeals Advisory Committee. Written appeals will be provided to the Parking Violation Appeals Committee when there is a significant dispute over facts or major extenuating circumstances. The appeal must be submitted within ten (10) days from the date of the decision denying the first appeal. A final appeals hearing may be provided should an individual wish to contest the findings of the Parking Violation Appeals Committee. The Hearings Officer will be appointed each year by the Law School Student Bar Association. The final appeal must be submitted within ten (10) days from the date of the decision denying the second appeal. Individuals appearing before the Hearings Officer must bring any supporting documentation. The decision of the Hearings Officer is final and no further appeals will be provided. Individuals who fail to appear at three scheduled hearings before the Law School Hearings Officer will have their citation(s) ruled valid and no further appeals will be provided.

D. After a period of ten (10) days from the date of issuance of the citation or from the date of final determination of an appealed citation, citations not resolved through the appropriate Parking Services Office will be overdue. Overdue citations may subject the permit holder’s motor vehicle(s) to impoundment and removal of the parking permit(s). Overdue citations may be applied to a student’s tuition statement if they remain unresolved or may result in restriction of subsequent academic registration and withholding of a student’s transcript until such time as the obligation is satisfied. Parking and these restricted services may be restored when all overdue citations have been resolved. At the discretion of Texas Tech, overdue citations may be adjudicated in a court of competent jurisdiction in accordance with Section 51.208 of the Texas Education Code.

E. Notice of violation for motor vehicles without permits and returned notices of violation will be sent to the address on file with the Texas Department of Transportation, Division of Motor Vehicles.

F. Four valid violations of the Traffic and Parking Regulations within the academic year may result in the revocation of the individual’s parking privileges for a period of 90 days. If, at the end of the 90 days the individual’s parking privileges are restored, a single violation of the Regulations may result in permanent revocation for the academic year.
   1. All citations must be resolved before any parking privileges are restored.
   2. The revocation period shall commence with the return of the registration permit(s) to the appropriate Traffic and Parking Office.

G. Individuals with at least three unpaid parking citations from the TTUHSC Parking Services Office that are found parking in violation of the rules and regulations on HSC or UMC grounds, may be issued a county citation.

IX. Impounding Vehicles

A. Vehicles belonging to individuals with ten or more valid violations of the Traffic and Parking Regulations are subject to impoundment on each subsequent violation, regardless of the type of violation.

B. Impoundment may be accomplished either by towing or through immobilization by use of an auto boot.

C. When a vehicle has been impounded it will be necessary for the operator of the vehicle to contact the appropriate Texas Tech parking dispatcher for release. Prior to the release of the impounded vehicle, satisfactory arrangements for payment shall be made.
   1. The impoundment fee for towed vehicles will be a $15 administrative fee plus the amount charged by the towing company. This amount may be vary depending on the vehicle impounded and the current
wrecker service contract. Current impoundment charges can be found at the TTU University Parking Services Office or website.

2. The impoundment fee for booted vehicles will be $40.
3. Vehicles impounded will be charged storage at the rate of $6.00 per day, including tax, commencing 72 hours after impoundment.
4. The maximum storage fee to be charged is $130.00 per month, including tax.

D. If the owner or driver of a motor vehicle to be impounded arrives before impoundment has begun, the vehicle will not be impounded. If the owner or driver arrives after impoundment has begun, the vehicle will not be impounded if the driver opts to pay the tow truck driver the impoundment fee (see Section IX.C.1) less the $15 administrative fee (payable in a manner acceptable to the towing company) in lieu of impoundment.

E. If a motor vehicle or bicycle is parked on Texas Tech property and is not moved for a period of 30 days, Texas Tech may deem the same to be abandoned. Abandoned motor vehicles or bicycles may be impounded and disposed of in the manner prescribed by law. This includes those motor vehicles which have a valid registration permit.

F. No personal property or vehicles (including boats, trailers, motor homes, etc.) shall be permitted to be stored or parked on the campus without permission from the appropriate Parking Services Office. Such property or vehicles are subject to impoundment.

G. A motor vehicle parked on Texas Tech property will be subject to impoundment if any of the following apply:
   1. It does not have attached to it an unexpired license plate and a valid vehicle inspection certificate as required by the State in which it is registered.
   2. It is inoperable and has remained inoperable for more than 14 (fourteen) consecutive days.

X. Texas Tech Police

A. Texas Tech Police Officers are duly commissioned peace officers of the State of Texas. Upon request of a police officer of Texas Tech, any person on the campus is required to identify himself with proper identification.

B. All thefts, accidents, or other offenses that occur on campus should be reported to the Texas Tech Police Department immediately. Accidents should be reported immediately. In accordance with State law, vehicles involved in an accident should be moved prior to reporting the accident if they are moveable. One-vehicle accidents and inoperable vehicles must also be promptly reported. Keys or valuables should not be left in a motor vehicle. ALWAYS KEEP YOUR VEHICLE LOCKED.

C. Texas Tech is concerned about the protection of persons and property and places a high priority on striving to maintain a safe environment for students, faculty, staff, and visitors. The University cannot, however, guarantee the absolute safety of any one individual. Personal safety must begin with individual responsibility. With that thought in mind, a Personal Safety brochure has been prepared which contains personal safety recommendations, crime statistics, safety services and programs, as well as a list of telephone numbers to contact for help. All visitors and members of the campus community are encouraged to make themselves familiar with this information. The Personal Safety brochure is available at various locations on campus including the Personnel Office, the Texas Tech Police Department, the Center for Campus Life, and the residence halls.

D. Chapter 46, Section 46.03, Texas Penal Code, provides that a person commits a felony offense if the person carries a firearm, illegal knife, club, or other prohibited weapon listed in Section 46.05(a) on the physical premises of an educational institution.

XI. Types of Motor Vehicle Registration Permits

A. Reserved parking spaces are assigned to full-time faculty and staff and part-time faculty and staff not enrolled as students as space is available. Any space remaining after the needs of the faculty and staff are met will be available for assignment to part-time instructors, graduate teaching assistants, and graduate
research assistants who hold contracts for one-half time or more. Such assignments may be revoked as necessary to accommodate regular faculty and staff requirements.

1. Non-transferable permits will be issued for reserved spaces. The permit will contain the lot and space number assigned to the registrant. The space is reserved from 6:30 a.m. to 5:30 p.m., Monday through Friday, year-round, excluding holidays.

B. Reserved Area parking spaces are available to qualified faculty and staff in certain designated parking lots. Non-transferable permits will be issued for all area reserved lots. Area reserved permit holders should overflow to other designated area reserve parking lots if all available area reserved spaces in the lot are occupied.

C. Reserved Area parking spaces may be purchased by part-time employees (less than 20 hours a week) at half the specified cost. An approved PAF form must accompany the vehicle registration form. At the Lubbock campus, part-time employees must complete their vehicle registration online at www.fiscal.ttuhsc.edu/parking/. The employee must then contact the Parking Services Office to receive the rate reduction.

D. Renewal notices for persons assigned reserved and area reserved spaces are sent out no later than July 1 of each year. Employees must renew their vehicle registration by the date stated in the renewal notice. Payment may be made by credit card (Visa, MasterCard, and Discover [Discover is not accepted at the Lubbock Parking Services Office]), cash, personal check, or payroll deduction. (Payroll deduction is available at the Abilene, Amarillo, Lubbock, and Odessa campuses.) At the Lubbock campus, vehicle registration must be completed online at www.fiscal.ttuhsc.edu/parking/. Credit card information (Visa and MasterCard) may be entered directly into this site and personal checks can be mailed through campus mail to Mail Stop 6290. This site is “secure” and all data entered will be protected.

E. Commuter permits will be issued for motor vehicles belonging to students.

1. Commuter permits will be of the non-transferable type.
2. Commuter permits are issued to the individual vehicle and ownership is not transferable. Use of a commuter permit by anyone other than the individual to whom it was issued is not permitted. Violation of this regulation may result in ticketing, impoundment, and loss of all parking privileges on campus, including parking for the academic year for all parties involved.
3. Parking is available in certain designated lots.
4. Health Sciences Center commuter permits will be allowed in commuter lots around the periphery of the Texas Tech University campus. Health Sciences Center commuter permits will be honored in designated commuter parking areas at all TTUHSC locations (Abilene, Amarillo, Lubbock, Odessa and TTUHSC El Paso).
5. Texas Tech University commuter, park and ride, garage, law school, and residence hall permits will be honored in the TTUHSC designated commuter parking lots. TTU students are not authorized to park in the TTUHSC parking lots to attend classes at the TTU campus.
6. At the Lubbock campus, students must complete their vehicle registration on-line at www.fiscal.ttuhsc.edu/parking/.

F. Persons with disabilities may be issued disability access motor vehicle registration permits designed to assist them in campus mobility.

1. Parking in spaces reserved for persons with disabilities requires the correct motor vehicle registration permit and the appropriate state issued placard or license plate.
2. State placards or license plates must be displayed at all times when a vehicle is parked in these areas.
3. The designated disability parking areas are reserved 24 hours daily.

G. Motorcycle registration permits will allow parking of motorcycles or mopeds in designated two-wheel areas. Motorcycle registration permits must be permanently affixed to the top of the front headlight, front fender or shock absorbers. Mopeds and motorcycles may not park in bicycle racks. All motorcycle registration permits expire in August.

H. Temporary registration permits will be issued for the fee indicated in the current fee schedule. Temporary permits are not refundable.
XII. General Regulations

A. Persons who hold a Texas Tech Medical Center – Southwest vehicle registration permit (S1) should park in patient/visitor lots if space is available when parking at the Lubbock campus. If space is not available, they should park in the designated area reserved parking lots (A1, A2, B3, C3, D3, or F1).

B. Persons who hold a motor vehicle registration permit for reserved or area reserved parking from any Health Sciences Center campus or TTUHSC El Paso may park in a designated visitor's area when visiting another campus.

XIII. Visitor and Patient Parking

Visitors and patients are welcome on the campus. Special parking areas are designated for patients and visitors. Visitors’ motor vehicles parked in areas not designated for visitor parking are subject to receiving a campus citation.

XIV. Time Limit

Designated time limit parking areas are enforced from 7:30 a.m. to 4:00 p.m., Monday through Friday, unless otherwise posted.

XV. Loading Dock

Parking at the loading dock is enforced 24 hours daily.

XVI. Service and Vendor Vehicle Parking

It is recognized that service vehicles are required to transport personnel and materials to work sites on the campus. It is not the intent of these regulations to hinder or handicap workers in the performance of their duties. Property damage and unsafe conditions, however, frequently occur on campus as a result of drivers ignoring parking regulations.

Service and vendor motor vehicles found to be blocking a street or creating a hazard may be ticketed and impounded.

A. University Service Vehicle Parking

Faculty, staff, and students who operate Texas Tech service vehicles on campus should become familiar with the contents of HSC OP 76.37.

1. Movement of heavy equipment and supplies to the buildings will be accomplished from the loading dock, or the designated delivery area, if possible. If not possible, the individual or contractor responsible for moving, loading, hauling, etc., should make prior arrangements with the designated project manager who will contact the Parking Services Office or the corresponding office at Abilene, Amarillo, and Odessa/Midland to obtain alternate delivery, parking and routing information to ensure protection of lawns, sidewalks, brick areas, ramps, lawn sprinkler systems, designated fire lanes, etc.

2. Parking partially in the street and partially on a walk/curb is prohibited. Vehicles must park in designated areas only.

3. Damage resulting from vehicles traversing lawns, sidewalks, brick areas, ramps, lawn sprinkler systems, designated fire lanes, etc., will be repaired by Grounds Maintenance, TTUHSC Plant Operations, or Regional Facilities Operations and Maintenance. All repair costs will be charged to the department or vendor/contractor responsible for such damage as determined by TTUHSC and in the context of circumstances.

4. Blocking of doorways, sidewalks, handicap access, and fire lanes is prohibited.

5. Texas Tech service vehicles may be parked only in the following areas which are listed in priority order:
   a. In designated service vehicle parking at the loading dock or designated service vehicle parking location
   b. F-1 Parking (Lubbock)
   c. Time limited parking
B. **Vendor Parking**

For external vendor and delivery vehicles, parking spaces are available at the loading dock.

Vendor and delivery vehicles found to be blocking a street, sidewalk or designated parking space will be ticketed and towed by the Parking Services Office or the Police.

Vehicles belonging to vendors may be parked only in the following areas which are listed in priority order:

1. In designated service vehicle parking at the loading dock
2. Visitor parking

C. **Contractor Parking**

1. Contractors may obtain, at no charge, a construction permit for their trucks or cars from the TTUHSC Parking Services Office, Room BB097, or the corresponding office at Amarillo or Odessa, by prior arrangement through the designated project manager.
2. Contractors must display parking permit on the rear view mirror or lower left-hand drivers’ side of windshield at all times while parked on TTUHSC property. Vehicles with the contractor logo clearly shown will be permitted to park in the designated contractors’ parking lot/area without a TTUHSC parking permit.
3. Parking for contractors is limited to the following area:
   a. Contractor’s parking lots or specifically designated locations on each campus.
   b. Parking outside the designated Contractor’s lot is a violation of the parking regulations and does subject the vehicle to a citation and/or impoundment.
