Get ready for 2018 Summer Enrollment

It's not too early to start thinking about your health insurance and other benefits needs. Summer Enrollment for employees is just around the corner. The 2 week window-July 2nd-July 14th-is when you can make changes to your benefit elections. If you want to make changes during Summer Enrollment, you can sign into your ERS account online.

No benefit changes? No worries. You won't need to do anything and your benefit elections won't change.

The HSC Summer Enrollment Fair is June 22nd. Watch the announcements for more information to come.
