The screenshot displays the ISAAC-S website interface. At the top, the logo 'ISAAC-S' is shown with the subtitle 'Information Security Awareness, Assessment, and Compliance'. Below the logo are navigation links for 'Overview', 'FAQs', and 'Support'. The main content area is split into two sections. On the left, a 'Welcome to ISAAC-S.' message is accompanied by an illustration of a person and a document, with a 'Create Account' button circled in red. On the right, a 'Login' section contains input fields for 'UserID:' and 'Password:', and a 'Login' button. A disclaimer at the bottom states that the system is for authorized users and provides contact information for support.

ISAAC-S
Information Security Awareness, Assessment, and Compliance

[Overview](#) [FAQs](#) [Support](#)

Welcome to ISAAC-S.

ISAAC-S is a web-based application that will assist you with assessing the security posture of your information systems, and compliance with State of Texas Information Security Standards - [TAC §202](#).
