

# The Features of MD Consult

## MD CONSULT AT A GLANCE

- 50 medical reference books
- Over 80 medical journals and Clinics
- Nearly 10,000 patient education handouts
- Article summaries from the top journals
- Current medical news and more

## MD CONSULT BOOKS

- Full-text of leading medical books available online
- Navigate using the Table of Contents or Index
- Search across all books or within an individual book
- View and search for over 50,000 photos, tables, graphs, and full-size images from books

## MD CONSULT PATIENT EDUCATION

- 10,000 patient education handouts
- Written at a 6th- to 8th-grade reading level and are 1 to 2 pages in length
- Spanish versions are available for approximately 30% of topics
- Easily customizable, allowing physicians to provide additional instructions and contact information on each handout

## MD CONSULT IMAGES

- Over 50,000 high-quality medical images from renowned medical books
- Images include photos, tables, graphs, and more
- Users may print or download images for their personal or non-commercial use

## FIRST CONSULT AT A GLANCE

- Comprehensive database of clinically compiled, regularly updated information on patient evaluation, diagnosis, treatment, tests, and prevention
- Differential diagnosis tool provides a rapid evaluation
- Procedures provide clear systematic guidance, including videos and medical animations, integral to the practice of medicine across many specialties

## MD CONSULT JOURNALS AND CLINICS

- Full-text leading medical journals available online, along with abstracts and citations for all journals in MEDLINE
- PDFs are available for most full-text articles
- Search across all journals or within an individual journal

## CME

- Free access to Continuing Medical Education from two fully accredited providers – Cleveland Clinic Center for Continuing Education and Albert Einstein College of Medicine
- Gain *AMA-PRA Category 1 Credit™* CME credit with each search conducted through MD Consult, simply by clicking “request CME”

## MD CONSULT DRUG INFORMATION

- Provided by Gold Standard
- Updated regularly
- Includes generic and brand name drugs, investigational medications, nutraceuticals, and nutritional products
- FDA Approvals and Safety Notices are added when announced by the U.S. Food and Drug Administration or a specific drug manufacturer

## MD CONSULT NEWS

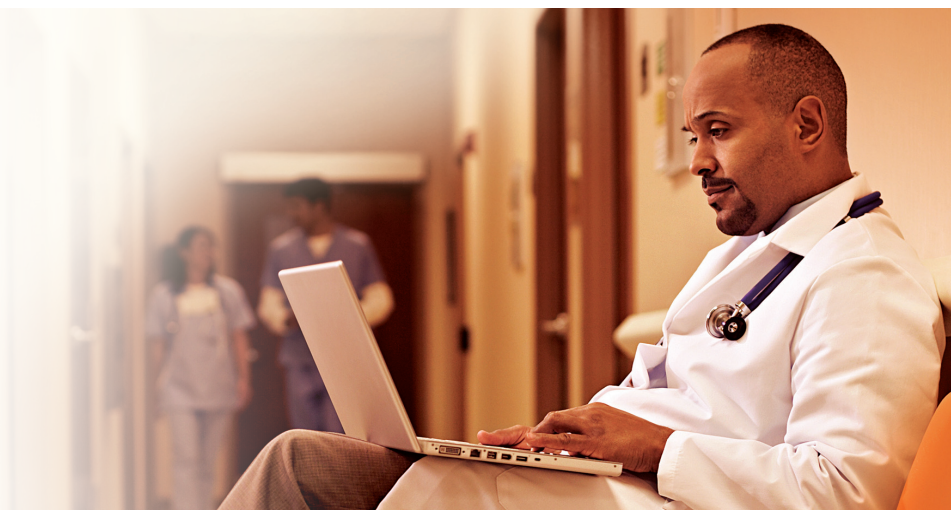

- Updated daily
- Concise clinical summaries on new developments from all major journals, government agencies, and medical conferences
- Provided by Elsevier Global Medical News and MD Consult editorial staff

## MD CONSULT MOBILE

- Access books, journals, Clinics and practice guidelines through your web-enabled smartphone
- Easy-to use, standalone interface that does not require additional downloads
- Available at no additional charge to MD Consult institutional site license subscribers
