

# Mandatory Sessions and Activities for Host Defense (GPID) 2017\_18

**Subject to Change**

**Note:**

Unit evaluations (must complete **2** out of the **4** unit evals)

Faculty evaluations (must complete at least **2** faculty evaluations per unit)

All **5** unit quizzes are required.

There will be **4** Dry Lab sessions, **2** Small Group Clinical Correlations Discussion (SGCCDs) sessions and **2** TBL sessions. You must attend **6 out of the 8** and take the individual in-class quiz and or complete group in class or out of class assignments to receive full credit for the activities.

\* The session on Monday, April 02 is required for everyone AND will count as 1 of the required 6 sessions.

Material presented in TBL, SGCCD and Dry Lab sessions are testable.

The ISS SOAP note assignment is 2% of your final grade. Directions, case topics, and an example assignment will be posted on Sakai.
