TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER AT THE PERMIAN
BASIN VALENZUELA SELECTED TO PRESENT RESEARCH
AT INTERNATIONAL MEETING

ODESSA, TEXAS – Peter Valenzuela, M.D., M.B.A., interim chair of Family and Community Medicine and assistant dean of Clinical Affairs at Texas Tech University Health Sciences Center at the Permian Basin, has been selected as a presenter for the 2007 North American Primary Care Research Group’s annual meeting. He will present his research, *Factors Influencing Texas Family Medicine Residents’ Intended Scope of Practice*, to the NAPCRG membership October 20-23, 2007 in Vancouver, British Columbia.

Founded in 1972, the North American Primary Care Research Group is a multidisciplinary organization for primary care researchers in the United States, Canada, Mexico, the Caribbean, and throughout the world, with a mission to develop, disseminate, and promote new knowledge regarding primary care. ⁽¹⁾

Valenzuela is listed in the Guide to America’s Top Family Physicians and Who’s Who in Executives and Professionals. He currently serves on the Board of Directors for the Texas Academy of Family Physicians and Texas Medical Association’s Committee for Health Care Access and Physician Distribution.
