

## **Commitment to Excellence**

- 1) Recognize and communicate the limits of your personal and professional practice capabilities.
- 2) Strive to teach and learn from others.
- 3) Appropriately assess your own performance and the performance of your peers.
- 4) Appropriately accept constructive feedback.
- 5) Respond to feedback and make appropriate changes in behavior.
- 6) Develop and implement self-learning plans based on identification of limitations.
