

PHARMD-MBA P1 ACKNOWLEDGEMENT FORM

Students admitted to the PharmD/MBA program are expected to complete the requirements of both degree programs within a 4 year period of time. School of Pharmacy students who have not started the P-2 year (known as P1 applicants) but desiring to pursue the MBA program will be required to begin the MBA the summer prior to actually starting the P2 year.

Students who disenroll from the MBA program are still enrolled in the Pharm.D degree program; however, because of the dual degree plan for the PharmD/ MBA, each individual record will be evaluated to determine if Pharm.D courses that were waived will now be required for the PharmD degree. As a result, Pharm.D students may have delayed graduation until the degree requirements are completed.

I acknowledge that I have read and understand the above implications of my acceptance into the PharmD-MBA program as a P1 applicant to the TTUHSC School of Pharmacy.
