1100 Venture Court, Suite 120, Carrollton, TX 75006

2:00 pm – 5:00 pm

### Great Escape: Meltdown

#### What's involved in our meltdown group outing?

- Fun interactive icebreakers.
- Entertaining challenges.
- The experience of an "Escape Room," without being separated into small groups.
- Exciting countdown to catastrophe (or not).

5:30 pm – 8:30 pm **Dinner at Ida Claire** <http://ida-claire.com/>

*Genteel choice for updated/international takes on traditional Southern dishes*

*Address: 5001 Belt Line Rd, Dallas, TX 75254 Phone:(214) 377-8227*

Your group will be taken on a tour of the GDX Nuclear Energy Plant. At some point on your tour, a severe malfunction occurs in the coolant systems and a core meltdown is imminent.

The plant is placed in lockdown preventing anyone from fleeing, but there is hope in saving your group. It will require teamwork among all your members. The only means for averting catastrophe is by obtaining clues and codes through a series of team challenges and games in a sequential order. As you solve one challenge, it will help you solve the next until you arrive at the final solution that will keep your group alive.

Unlike other "escape game" events you may have experienced, Group Dynamix has designed a program that truly is team building. Not only that, but **Meltdown** can be for groups as small as 15 or groups in the hundreds. The clues, codes and solutions are obtained through team challenges and not from solving puzzles by a few individuals who happen to be good "gamers." If you escape, it will be because of a memorable team effort.

#### WHAT'S INVOLVED IN OUR MELTDOWN GROUP OUTING?

- Fun interactive icebreakers.
- Entertaining challenges.
- The experience of an "Escape Room," without being separated into small groups.
- Exciting countdown to catastrophe (or not).

#### BENEFITS AND OUTCOMES

- Provides high-energy fun.
- Promotes collaboration and communication.
- Increases problem-solving skills.
- Strengthens teamwork.
- Improves group unity.

#### WHAT PEOPLE ARE SAYING

"Our department of 45 people thoroughly enjoyed the Great Escape-Meltdown event. We had fun while working together to solve the challenges. There was a great variety of activities, the staff was great, the facility was fun and the team building event was awesome!"

- Southern Glaze

"A great way for a team to all work together on an event. Our team was too large for a typical escape room!"

- McKesson Specialty Health

Address: 9450 North Central Expressway, Dallas, TX 75231

Phone:(214) 361-5553 <http://www.daveandbusters.com/dallas>

## NOMINATIONS OPEN AFTER THE WORKSHOP

An overview of the responsibilities for the position are as follows:

### Resident Self-Governance

- At the beginning of the residency year, residents will elect two chief residents for the Abilene/Dallas campuses, and one for the Amarillo/Lubbock campuses.

Responsibilities of the **chief resident** will include, but are not limited to:

- Serve as a liaison between the residents, program directors, and Vice Chair
- Participation in the Resident Advisory Committee monthly meetings
- Scheduling and leading the resident meetings, including agendas and minutes
- Coordinate the resident discussion series and other resident-driven discussion group activities at resident meetings
- Meeting with the Vice Chair for Residency Programs periodically
- Maintaining residency-specific calendars/website information
- Determine the residency committees for the year and preside over meetings
- Provide reminders for all residency programs related deadlines
- Demonstrate leadership characteristics by holding all residents accountable for professional and ethical behavior
- Notify the Vice Chair for Residency Programs regarding breaches in professional or ethical behavior by fellow residents
- Coordinating group activities at commonly attended functions (i.e. ASHP Midyear, ALCALDE, Research Days) and end-of-year activities including graduation for the residents

**\*T: Teaching and Learning Curriculum Program**

(\*Semi-casual dress)

TTUHSC SOP SW CAMPUS (Rm# 450), 5920 Forest Park Road, Dallas, TX  
 Techlink: ABSOP 1130, AMSOP B03A, DLSPVA 109AB, LBHSC 1C111 & ODHSC 2C13

8:30 am – 9:00 am

**Breakfast (Mainly for Dallas Residents)**

*\*Abilene/Amarillo/Lubbock residents enjoy free breakfast at the hotel*

**9:00 am All Residents arrive at the SW Campus**

9:00 am – 12:00 pm \*T

**Precepting 101: Essentials for the New Preceptor**

Krystal L Edwards, Pharm.D., FCCP, BCACP

Associate Professor, Department of Pharmacy Practice - Ambulatory Care Division

Associate Dean for Career Development, Office of Professional Affairs  
 Dallas Campus

(Must complete course, case studies, and evaluation to receive credit)

Objectives:

1. Discuss student and preceptor responsibilities and expectations in preparing for an experiential rotation as it relates to orientation, evaluation, and feedback.
2. Describe challenges that preceptors encounter while providing experiential education learning opportunities for students.
3. Identify practical solutions to theoretical student-preceptor issues case scenarios.

**Alternate PGY-2 Programming (For Returning Residents who had the same sessions previously)**

9:00 am – 12:00 pm

**Roundtable Discussion with Dr. Smith**
