

Subject: FW: UH College of Pharmacy SSHP's Annual Residency Showcase

Dear PharmD students:

The Student Society of Health-System Pharmacists Chapter of the University of Houston College of Pharmacy will be holding its **Annual Residency Showcase on Friday, November 2, 2018**, and we invite PharmD students within Texas to attend this event. This is a time that you may meet residency program directors and current pharmacy residents here at the University of Houston!!! This is a wonderful opportunity for students in every stage of earning their PharmD to:

- Discover what residencies are
- Speak with current residents about their day to day activities
- Find a mentor
- Learn how residencies can enhance your pharmacy career
- Learn what types of positions require residencies
- Network with residency program directors from Texas and surrounding states
- Understand residency program requirements and how to stand out when applying
- Determine the types of residencies that you are most interested

The event is open to all Pharm.D. students in the area. This event has been very popular in the past, and we have received great feedback from both exhibitors and students. We anticipate the participation will be very good, since this is an on-campus day for the University of Houston fourth year students.

1. Date: Friday November 2, 2018 from **2:30 to 4:30 pm**
2. Location: **UH Student Center-South Ballroom (Room 210)**

○ [4455 University Drive](#)

Houston, Texas 77204 <https://www.uh.edu/maps/#/details/UC>

Details concerning the event:

- The event is free to attendees; students do not need to register prior to the event.

- Parking is the only expense for attendees and is available in the Welcome Center Parking Garage across the street on Calhoun. <https://www.uh.edu/maps/#/parking>
- Dress for student attendees is business professional.

We look forward to seeing you! Please let me know how I can further assist you with this event.

Paige Pitman, PharmD, MBA
