Application Information

Applicants must submit a letter of interest, three letters of recommendation, curriculum vitae, official transcripts for pharmacy education, and a completed application form. All materials should be submitted through PhORCAS at <https://portal.phorcas.org/>. The application deadline is January 9, 2021. Further information can be found at: <http://www.ttuhschoolofpharmacy.edu/sop/residencies>

Program Purpose

The purpose of this PGY-1 community-based pharmacy residency program is to build on the Doctor of Pharmacy (PharmD) education and outcomes to develop community-based pharmacist practitioners with diverse patient care, leadership, and education skills who are eligible to pursue advanced training opportunities including postgraduate year two (PGY-2) residencies and professional certifications

Program Description

This novel residency program is based out of an innovative, independently-owned pharmacy located in Denton, Texas. The program is a blend of longitudinal and concentrated learning experiences that will include implementation of disease prevention programs, pharmacist-managed clinics, compounding, specialty pharmacy services, and independent pharmacy management and ownership. Residents will be appointed as assistant instructors and assist in the delivery of the Texas Tech School of Pharmacy curriculum including didactic and laboratory courses. The appointed teaching campus is located at the Dallas Regional Campus in Dallas, Texas. This will be the third year of this residency program and is ASHP-accredited.

Required Rotations (Longitudinal)

- Orientation
- Traditional/Specialty Pharmacy Services
- Ambulatory Care
- Academia (Teaching Certificate optional)

Other Requirements

- Continuing Education Presentations
- Community and School Service
- Research and manuscript writing

emily@communitypharmacy.com

About Emily:

Emily was born and raised in Denton before attending Southwestern Oklahoma State University where she received her PharmD and MBA. Following graduation, she completed two years of postgraduate residency to specialize in psychiatric pharmacy and obtained her Board Certification in Psychiatric Pharmacy. Emily is happy to join the family business, where she first developed a passion for pharmacy and caring for her community. Her professional interests include mental health, pharmacy leadership, and precepting pharmacy students and residents. Outside of pharmacy, Emily enjoys planning her next travel adventure, staying active, trying new recipes, and spending time outdoors.

Current Resident: 2021-2022

Timothy Garrett, Pharm.D.

Hometown: Boaz, AL

Undergraduate: Jacksonville State University

Pharmacy School: Samford University- McWhorter School of Pharmacy

About Timothy:

Timothy was born and raised in Boaz, Alabama and attended Jacksonville State University for undergraduate studies before transferring to Samford University – McWhorter School of Pharmacy. He received his Doctor of Pharmacy degree in May of 2021. Timothy is currently a member of the American Society of Health-System Pharmacists (ASHP), American Pharmacists Association (APhA) and the National Community Pharmacists Association (NCPA). His professional interests include diabetes education and management, chronic disease management, transitions of care, and community pharmacy. In his freetime, he enjoys traveling, playing the piano, hiking, swimming, playing tennis, and spending time with my wife and daughter.

Past Resident: 2020-2021

Kelly Posthumus, Pharm.D.

Community Pharmacist & Weight Loss Coach
Community Pharmacy (Denton, TX)

About Kelly:

Kelly Moline graduated with her PharmD in 2020 from North Dakota State University. Kelly loves independent pharmacy and strives to bring the "small-town" community feel by building long-lasting patient relationships. Within pharmacy, her interests include diabetes management, weight loss, and nutrition. Outside of pharmacy, Kelly enjoys staying active, walking her two dogs, and exploring the DFW area with her husband!

Past Resident: 2019-2020

Robert Hetue, Pharm.D.

Community Pharmacist
Community Pharmacy (Denton, TX)

About Robert:

Robert grew up in Honolulu, Hawaii and attended pharmacy school at the University of Wisconsin-Madison. He moved to Texas as Community Pharmacy's first pharmacy resident in 2019, where he learned valuable medication management skills for his current position. Robert oversees the SMM (Synchronize My Meds) and medication packaging programs in Community Pharmacy's adherence department. He is passionate about building rapport with patients and coordinating with providers and healthcare facilities to support their care. Robert enjoys cooking "local" food from Hawaii and keeping in touch with Wisconsin friends through game nights. He is also an avid follower of the Eurovision Song Contest.
