Application Information

Applicants must submit a letter of interest, three letters of recommendation, curriculum vitae, official transcripts for pharmacy education, and a completed application form.

All materials should be submitted through PhORCAS at <https://portal.phorcas.org/>.
Deadline: Jan 6, 2018

Further information can be found at:
<http://www.ttuhsc.edu/sop/residencies>

Program Purpose

To build upon the doctor of pharmacy (PharmD) education and outcomes to develop community-based pharmacist practitioners with diverse patient care, leadership, and education skills who are eligible to pursue advanced training opportunities including postgraduate year two (PGY2) residencies and professional certifications.

Program Description

This program will include exposure to community pharmacy, disease prevention and health screening; patient consultation, pharmacist-managed clinics, and consultant pharmacy services. The residency program is accredited by ASHP/APhA. Residents are appointed as assistant instructors and assist in various classes including didactic and laboratory (hands on) based courses.
