CLARION 2011 Interprofessional Teamwork Case Competition Overview

The Quality Enhancement Plan: interprofessional teamwork “it” invites all full-time Texas Tech University Health Sciences Center (TTUHSC) students to apply to be selected for the TTUHSC National Team to participate in the 2011 CLARION Case Competition.

What is **CLARION**?

CLARION is a student initiative dedicated to improving patient safety and the quality of care through the promotion and development of interprofessional leadership, teamwork, and communication.

What are the **Goals**?

- 1) To develop an understanding and appreciation of the skills that each professional brings to the healthcare team and
- 2) to develop positive relationships which will extend into their professional careers.

Who Can **Apply**?

Any full time, Jr level and above students.

Selection of the Team (TTUHSC)

There will be a blind review by the TTUHSC “it” Faculty Champions. Selection must follow rules established by CLARION which includes:

- Have 3 - 4 full time students
- Be comprised of at least 2 disciplines
- Have No more than 2 students from each professional school on a team.

How do you **benefit**?

In addition to the knowledge, skills, and attitudes of “it” you will obtain through the process, the winning team of the TTUHSC Regional-wide Case Competition will receive a scholarship and expenses paid to represent TTUHSC at the national competition.

Date & place of **National Competition**

- April 15-16, 2011
- University of Minnesota
