

Banner Upgrade Scheduled in March

The Banner enterprise software will be upgraded from version 7 to version 8 in March. This upgrade will provide functional and technology enhancements but will require Banner and associated applications to be UNAVAILABLE from Thursday, March 11, 2010 through Monday, March 15, 2010. Normal services will resume Tuesday morning, March 16, 2010. HSC WebRaider portal will be operational in a limited capacity with links to sites that are available.

Detailed information of impacts and schedules will be provided by the Student, Human Resources, Budget and Finance departments in February. Watch your email and HSC Announcement Page for this important information!

Please note that Blackboard (WebCT) WILL be available.
