VISION: TTUHSC School of Nursing will shape healthcare of the future by advancing the profession, improving the health of others, and inspiring exceptional care.

MISSION: The mission of TTUHSC School of Nursing is to educate students for practice in evolving healthcare systems and to advance knowledge and practice through research, service, and community engagement.

GOAL I. STUDENTS
To foster the development of competent nursing professionals through evidenced based academic programs that address critical needs in the profession.

OBJECTIVE I.1. Increase student enrollment in targeted academic programs.
OBJECTIVE I.2. Develop new academic programs and enhance current academic programs.
OBJECTIVE I.3. Provide academic and student affairs services which promote student learning, leadership and success.

GOAL II. FACULTY AND STAFF
To foster a rich and supportive environment through the use of a shared governance model with team members who are committed to the successful achievement of its mission.

OBJECTIVE II.1. Recruit, develop and retain faculty who are committed to the successful achievement of its mission.
OBJECTIVE II.2. Recruit, develop and retain staff who are committed to the successful achievement of its mission.

GOAL III. RESEARCH AND SCHOLARSHIP
The School of Nursing will advance knowledge, practice, and pedagogy through innovative research and scholarship.

OBJECTIVE III.1. Seek reliable and sustainable sources of extramural funding.
OBJECTIVE III.2. Provide faculty support for research and scholarship.

GOAL IV. OUTREACH/ENGAGEMENT
Promote improved community health through the provision of patient care services and healthcare education.

OBJECTIVE IV.1. Reduce health disparities among high risk population in local communities.
OBJECTIVE IV.2. Contribute to improved global health in environments with limited access to global/rural health care.

GOAL V. OPERATIONS
Maintain effective and efficient operations in the accomplishment of its mission.

OBJECTIVE V.1. Maintain financial stability through efficient management of fiscal resources and fundraising efforts.
OBJECTIVE V.2. Establish processes to inform strategic priority setting and decision-making that reflect use of timely data, sound business practices, educational theory and wise stewardship.
OBJECTIVE V.3. Evaluate the state of shared governance and assess the infrastructure which supports a shared governance model within the School of Nursing.
OBJECTIVE V.4. Maintain appropriate technology to promote effective operations and to advance the mission of the School of Nursing.
