

Texas Tech University Health Sciences Center School of Pharmacy
Division of Continuing Education

MISSION STATEMENT

The mission of the Texas Tech University Health Sciences Center School of Pharmacy Division of Continuing Education (DCE) is as follows:

Provide quality pharmacy educational opportunities for pharmacists, pharmacy technicians and other health care providers which will assist them in maintaining their basic knowledge and address advances in patient care.

Insure the quality of these educational programs by adhering to the guidelines and standards set forth by the Accreditation Counsel for Pharmaceutical Education (ACPE), the Southern Association of Colleges and the School of Pharmacy Continuing Education Committee.

Strive to elicit active participation in the learning process while implementing innovative strategies for program delivery.
