RULES OF ORDER

Introduction to Robert's Rules of Order

4. Motions
5. Types of Motions
6. How are Motions Presented?

What Is Parliamentary Procedure?

It is a set of rules for conduct at meetings, which allows everyone to be heard and to make decisions without confusion.

Why is Parliamentary Procedure Important?

Because it's a time tested method of conducting business at meetings and public gatherings. It can be adapted to fit the needs of any organization. Today, Robert's Rules of Order newly revised is the basic handbook of operation for most clubs, organizations and other groups. So it's important that everyone know these basic rules!

Organizations using parliamentary procedure usually follow a fixed order of business. Below is a typical example:

1. Call to order.
2. Roll call of members present.
3. Reading of minutes of last meeting.
4. Officer's reports.
5. Committee reports.
6. Special orders --- Important business previously designated for consideration at this meeting.
7. Unfinished business.
8. New business.
9. Announcements.
10. Adjournment.

The method used by members to express themselves is in the form of moving motions. A motion is a proposal that the entire membership take action or a stand on an issue. Individual members can:

1. Call to order.
2. Second motions.
3. Debate motions.
4. Vote on motions.

There are four Basic Types of Motions:

1. **Main Motions:** The purpose of a main motion is to introduce items to the membership for their consideration. They cannot be made when any other motion is on the floor, and yield to privileged, subsidiary, and incidental motions.
2. **Subsidiary Motions:** Their purpose is to change or affect how a main motion is handled, and is voted on before a main motion.
3. **Privileged Motions:** Their purpose is to bring up items that are urgent about special or important matters unrelated to pending business.
4. **Incidental Motions:** Their purpose is to provide a means of questioning procedure concerning other motions and must be considered before the other motion.

How are Motions Presented?

1. **Obtaining the floor**
 - a. Wait until the last speaker has finished.
 - b. Rise and address the Chairman by saying, “Mr. Chairman, or Mr. President.”
 - c. Wait until the Chairman recognizes you.
2. **Make Your Motion**
 - a. Speak in a clear and concise manner.
 - b. Always state a motion affirmatively. Say, “I move that we ...” rather than, “I move that we do not ...”
 - c. Avoid personalities and stay on your subject.
3. **Wait for Someone to Second Your Motion**
4. **Another member will second your motion or the Chairman will call for a second.**
5. **If there is no second to your motion it is lost.**
6. **The Chairman States Your Motion**
 - a. The Chairman will say, “It has been moved and seconded that we ...” Thus placing your motion before the membership for consideration and action.
 - b. The membership then either debates your motion, or may move directly to a vote.
 - c. Once your motion is presented to the membership by the chairman it becomes “assembly property”, and cannot be changed by you without the consent of the members.
7. **Expanding on Your Motion**
 - a. The time for you to speak in favor of your motion is at this point in time, rather than at the time you present it.
 - b. The mover is always allowed to speak first.
 - c. All comments and debate must be directed to the chairman.
 - d. Keep to the time limit for speaking that has been established.
 - e. The mover may speak again only after other speakers are finished, unless called upon by the Chairman.
8. **Putting the Question to the Membership**
 - a. The Chairman asks, “Are you ready to vote on the question?”
 - b. If there is no more discussion, a vote is taken.
 - c. On a motion to move the previous question may be adapted.

Voting on a Motion:

The method of vote on any motion depends on the situation and the by-laws of policy of your organization. There are five methods used to vote by most organizations, they are:

1. By Voice -- The Chairman asks those in favor to say, "Aye", those opposed to say "no". Any member may move for an exact count.
2. By Roll Call -- Each member answers "yes" or "no" as his name is called. This method is used when a record of each person's vote is required.
3. By General Consent -- When a motion is not likely to be opposed, the Chairman says, "if there is no objection ...". The membership shows agreement by their silence, however if one member says, "I object," the item must be put to a vote.
4. By Division -- This is a slight verification of a voice vote. It does not require a count unless the chairman so desires. Members raise their hands or stand.
5. By Ballot -- Members write their vote on a slip of paper, this method is used when secrecy is desired.

There are two other motions that are commonly used that relate to voting.

1. Motion to Table -- This motion is often used in the attempt to "kill" a motion. The option is always present, however, to "take from the table", for reconsideration by the membership.
2. Motion to Postpone Indefinitely -- This is often used as a means of parliamentary strategy and allows opponents of motion to test their strength without an actual vote being taken. Also, debate is once again open on the main motion.

Parliamentary Procedure is the best way to get things done at your meetings. But, it will only work if you use it properly.

1. Allow motions that are in order.
2. Have members obtain the floor properly.
3. Speak clearly and concisely.
4. Obey the rules of debate.

Most importantly, BE COURTEOUS.

Attention:

The policies and procedures found within this Funding Handbook apply only to the use of funds allocated to your organization by the Student Government Association.

This handbook is designed to explain many of the standards that have been established to provide for a consistent documentation of expenditures. This documentation of expenditures is both necessary and appropriate in order to make qualified responses to official inquiries from such offices as the Internal Revenue Service, State of Texas Auditors, TTUHSC Administration and the Board of Regents. The regulations set forth in this publication are in compliance with the policies approved by the Texas Tech System Board of Regents. Should your advisor or any officers change during the year, please contact HSC Student Services in Room 2C400 and the Student Government Association, Room 2C440.

In addition to the rules applied by the Board of Regents, the Senate Committee on Budget and Finance has prescribed further conditions, limitations, rules and procedures for allocated funds. These same regulations are outlined in the Funding Regulations Handbook.

The Budget and Finance Committee recognizes that Lubbock students attending Texas Tech University Health Sciences Center are required to pay a student service fee . A portion of this fee is allocated to qualified organizations through the Student Senate Appropriations Bill and through the funding process. However, this allocation does not provide sufficient funds to support all the activities of every organization. Accordingly, the reallocation of such funds is a judgment process undertaken by the Committee within the framework of an overall philosophy that includes that student service fees are allocated to qualified organizations to supplement their activities, not as sole support for the organizations.

You may contact the Student Government Association office for further information by calling 743-1619, visiting our website at <http://www.ttuhsu.edu/student-government> or by stopping by HSC Student Services, Room 2C400. We look forward to serving you and wish your organization a successful year!

Student Government Association Funding

The Student Government Association administers the allocation of a portion of Student Service Fees. Student Service Fees are collected by Texas Tech University Health Sciences Center as a component of tuition and fees.

The Student Senate administers the allocation of the portion of funds received by the Student Government Association for allocation to student organizations. This allocation takes place through a very strict budget process, where annual amounts are allocated to supplement the budgets of student groups throughout the fiscal year. **Allocation may also occur through the Special Projects Request process, which furnishes emergency funds to organizations for needs not anticipated during the budget process at the discretion of the Student Government Association Budget & Finance Committee.**

The Student Government Association office is available to answer any question, concerns, or problems you may have. Feel free to contact any of the officers at 743-1619 or visit HSC Student Services, Room 2C400 between 8:00 a.m. and 5:00 p.m., Monday through Friday.

PROFESSIONAL AND/OR SPEAKER SERVICES

Speaker Payment Procedure:

1. **Campus organization/specialty club Contract for Speakers Form:** This form must be completed and signed **prior** to reimbursement. All **ORIGINAL** documentation (e.g. airline tickets, lodging, meal receipts) must accompany this form and be turned into the Office of Student Services no later than 10 days after the event in order for reimbursement to be made to the speaker.
2. **Independent Contractor Questionnaire:** This form must be filled out for each Speaker prior to payment/reimbursement. **Payments/reimbursements will not be made to the Speaker(s) without this form.**
3. The Senate CANNOT give cash advances for speaker's fees or expenses incurred in bringing a speaker to campus. For reimbursement of such expenses, a **W-9** form and a "Contract for Speakers" form must be completed and accompanied by all supporting documents (e.g. plane, hotel or dining receipts). (See Attachment D.)
4. Only speakers can be reimbursed for speaker fees (based on Form 1099 of the Internal Revenue Service).
5. Student service fee monies can be used to reimburse the speaker for meals personally incurred in conjunction with a presentation made to the organization. Any other food expenses (banquets, receptions, etc.) will not be reimbursed.
6. The Student Government Association cannot be used to reimburse expenses or fees for speakers who are Texas Tech University Health Sciences Center and Texas Tech University employees.

Special Notes:

- ◆ The TTUHSC SGA must pay the speaker directly for their professional/speaker fees.
 - ◆ Only speakers, not organization/specialty club, can be reimbursed for the speaker's travel, lodging, and meal expenses.
 - ◆ A speakers' reimbursement is based on information received from the Internal Revenue Service. See #3 for information.
 - ◆ The Student Government Association cannot reimburse expenses or fees for speakers who are Texas Tech University Health Sciences Center and Texas Tech University employees.
 - ◆ **Special Requirement for payment to speakers or professionals who are not US Citizens or permanent resident aliens.**
1. **All** payments must meet "eligibility for payment" rules set by the U.S. Citizenship and Immigration Services. The immigration rules are based on the visitor's immigration status (visa type) on the I-94 card, number of days performing services in the U.S. and the type of payment being made to the visitor. You must contact Bob Crosier in the Office of International Affairs at (806-742-3667) **before** inviting the Nonresident Alien visitor to campus to ensure that the visitor will have a payable visa type. Bob will need to know the following information:

The visitor's country of citizenship
The expected arrival date on campus
The expected immigration status
The expected number of days the visitor will perform the service
The type of payment being made

2. When the nonresident alien visitor arrives in the United States, make copies of the following documents and **immediately** fax them over to Bob Crosier at (806-742-1286). Bob will fax an approval or disapproval to the Office of Tax Compliance. The Office of Tax Compliance will then notify the department whether or not they can make a payment to the foreign visitor.

Copy of the I-94 Card (Small white card issued at the port of entry to the U.S. indicating the status of the person entering and the length of stay allowed.) or I-94W Card (Small green version of the I-94 issued to persons entering the United States on the visa waiver program.)

Passport Pages with the Visa stamp

The Pink IAP-66 Form for J-1 Visa Holders (An immigration document issued to a J-1 Exchange Visitor. After processing at the port of entry, the nonresident alien should have the pink copy.

This form indicates the names of the sponsoring school, the activity of the participant, and the dates of the program.)

3. Many countries have income tax treaties with the United States which were developed specifically to encourage the exchange of information and business. Tax treaties allow nonresident aliens to be exempt from U.S. income tax withholding but only if the proper procedures are followed to claim a tax treaty benefit. If there is a tax treaty for the individual's country of residence and there is a provision for "independent personal services", then the Nonresident Alien visitor will need to complete IRS Form 8233 and must have a taxpayer identification number in order to claim a tax treaty benefit. **Contact the Office of Tax Compliance to determine if a tax treaty exists for the individual.** If the Nonresident Alien is eligible for tax treaty benefit, we will not have to withhold 30% income tax from his payment. If the Nonresident Alien visitor is going to be a paid an honorarium and he is going to claim a tax treaty benefit and the Non-resident Alien visitor does not have a United States Individual Taxpayer Identification Number, you will need to **immediately take** the Non-resident Alien to the Office of Tax Compliance at Drane Hall Room 106 (or Bob Crosier's office) to help the visitor complete the Form W-7 Application for IRS Individual Taxpayer Identification Number (ITIN). This **must** be done in person.
4. The following three pieces of information will need to be sent to the Office of Tax Compliance at Drane Hall 106 at the same time the above information in Section 2 is sent to the Office of International Affairs. Should you have any questions or need to fax the information; the Office of Tax Compliance can be reached at 806-742-3255-Phone or 806-742-0066-Fax).

Individual Taxpayer Identification Number (e.g. copy of social

security card, ITIN card, or Form W-7 Application for the IRS Individual Taxpayer Identification Number that was obtained from the Office of Tax Compliance or the Office of International Affairs in person).

IRS Form 8233 (December 2001) Exemption from Withholding on Compensation for Independent Personal Services of a Nonresident Alien Individual (to determine if this form is needed, contact the Office of Tax Compliance to verify there is a treaty with the nonresident aliens country)

Foreign National Information Form (to be completed by the nonresident alien)

5. Please bring all of the previous documentation to the Assistant Director in the Office of Student Services to complete the payment.

If you have questions, please contact HSC Student Services, 806/743-2300.

FOOD EXPENDITURES

The meetings can either be two (2) in the fall, two (2) in the spring or one (1) in the fall and one (1) in the spring. A \$8.00 per person cap applies based on the RSVP listed submitted. - a well-known speaker from off-campus

- Select a food provider that honors MasterCard and will take the credit card number over the phone.
- Contact HSC Student Services with information **prior** to the purchase by submitting the form through the portal no later than 2 days prior.
- Payment can be done by either having the vendor contact HSC Student Services @ 806-743-2300 **OR** a representative for the Office of Student Services calling the vendor to obtain the necessary information to complete the MasterCard transaction.

No student service fee monies can be used for the purchase of alcoholic beverages.

1. **Events that are anticipated to exceed \$500 or more MUST HAVE PRIOR approval from the Ass't Vice President for Student Services before the event is to occur. (See Attachment G) AND a Preapproval Form, HSC OP 72.13 (Attachment H) 90 days prior to the event. FAILURE TO COMPLY WITH THIS REGULATION MAY JEOPARDIZE FUNDING FOR THE EVENT.**
2. A "Facilities Use Form" located at <https://app4.ttuhs.edu/PremisesRequest/> **MUST BE** filled out **AT LEAST 7 BUSINESS DAYS PRIOR TO YOUR MEETING** and turned into HSC Student Services upon reserving

- the room for your meeting.
3. Any person attending a meeting and has requested a meal is required to attend the meeting and stay until the meeting ends or until the scheduled time for the meeting has elapsed, whichever comes first.
 4. The officers of the student organization/specialty club are required to enforce the attendance policy as outlined in the food section. The officers shall work to place food lines so that students cannot easily take food and leave the meeting (i.e. have the serving tables funnel into the meeting room, etc.
 5. Dues from off-campus accounts may be used towards the purchase of food for meetings.
 6. **Vendors that do not take the procurement card over the telephone to pay for food will need to be paid for by the organization/club.**

***Caution: Business meetings MUST include a speaker and agenda if providing food.**

Change in Taxability of Snack Items

Due to a change in law effective Sept. 1, 2013, snack foods are exempt from sales tax, unless they are sold through a vending machine or in individual-sized portions. Snack foods sold through a vending machine or in individual-sized portions are taxable – it doesn't matter where they are sold or if eating facilities are provided by the seller.

Snack foods include:

- Breakfast bars, granola bars, nutrition bars, protein bars, sports bars or yogurt bars, unless they are labeled and marketed as candy;
- Snack mix or trail mix;
- Nuts, unless candy-coated;
- Popcorn; and
- Chips, crackers or hard pretzels.

Candy, gum and soft drinks are not considered snack foods for sales tax purposes and are taxable regardless of the portion size.

An individual-sized portion is labeled as having not more than one serving; or, if the package does not specify servings, contains less than 2.5 ounces.

This change was created by Senate Bill 1151 (83rd Regular Legislative Session), which amended Section 151.314 of the Texas Tax Code.
