

EXPRESS CARE

Offered to Abilene TTUHSC Students who have paid the Medical Services fee.

Clinical Services Offered

General diagnostic visits
Administration of routine non-emergent vaccinations
flu/virus care
birth control
pap smears

Laboratory Services

Cost for lab work is the responsibility of the patient.

Needlestick Procedures

Should an incident occur after hours, students will be directed to call EXPRESS CARE at 325-690-1500 or 325-676-1100 to speak with a physician. If a physician is not available, the students will be directed to visit the Emergency Room at either Hendrick or Abilene Regional Medical Center.
