STRATEGIC GOAL:
INNOVATION
BOLDLY ENGAGE ALL TO INSPIRE INNOVATION ACROSS OUR UNIVERSITY.

STRATEGIC GOAL:
COLLABORATION
CREATE AN ENVIRONMENT THAT CULTIVATES INTERNAL AND EXTERNAL COLLABORATIONS.

ACADEMICS

+ Promote innovation in our academic programs, academic support services and student affairs
+ Promote collaborative learning opportunities leveraging best practices

CLINICAL AFFAIRS

+ Improve health care and patient care outcomes
+ Cultivate and enhance collaborations that utilize our unique position as a comprehensive academic health center

RESEARCH

+ Modernize our research infrastructure to effectively capitalize on research opportunities
+ Advance our research portfolio through collaborations in areas of strength

PEOPLE AND OPERATIONS

+ Encourage innovative approaches to improve our operational strategy and establish the institution as the employer of choice
+ Implement growth and development strategies that encourage collaboration and align resources at our university

EXTERNAL AFFAIRS

+ Champion our university's role as an innovative leader through meaningful engagement
+ Position the institution as a key collaborative partner with external stakeholders

COMPREHENSIVE TELEHEALTH

+ Incorporate telehealth competencies into all appropriate academic program curricula
+ Enable coordinated deployment and growth of telehealth practices
+ Expand the body of knowledge of telehealth with emphasis on outcomes and efficacy
+ Provide and support the infrastructure for telehealth integration
+ Work with partners, government agencies and key stakeholders to support the expansion of telehealth practice

TRANSFORMING HEALTH CARE THROUGH *Innovation* & *Collaboration.*
