POLICY/PROCEDURE:

1. Definitions.
   a. TTUHSC Volunteers. TTUHSC Volunteers are uncompensated individuals who perform services directly related to the business of TTUHSC, support the activities of TTUHSC or gain experience in specific endeavors at TTUHSC. All volunteer opportunities must be entered into without promise or expectation of compensation, future employment or other tangible benefit. TTUHSC Volunteers include visiting professors, researchers and/or medical personnel who are not employed by, or do not have faculty appointments at, TTUHSC. Volunteers also include children of faculty or staff performing services on behalf of TTUHSC. TTUHSC Volunteers are part of the TTUHSC workforce, but are not considered employees for any purpose and are not covered by the Fair Labor Standards Act. As a result of this volunteer association with TTUHSC, volunteers are not eligible for any TTUHSC benefits and are not covered by or eligible for Workers' Compensation. All TTUHSC Volunteers must be at least 14 years of age.

   For purposes of compliance under the privacy provisions of the Health Insurance Portability and Accountability Act, TTUHSC Volunteers are part of the TTUHSC workforce, but are not considered employees for any purpose and are not covered by the Fair Labor Standards Act. As a result of this volunteer association with TTUHSC, volunteers are not eligible for any TTUHSC benefits and are not covered by or eligible for Workers' Compensation. All TTUHSC Volunteers must be at least 14 years of age. For minors seeking a volunteer assignment longer than 1 day, processing and onboarding should follow HSC OP 70.59, Youth Camps.

   For purposes of this policy, TTUHSC Volunteers do not include the following (this is not an exhaustive list):

   1) Individuals acting as members of officially-sanctioned university support organizations;
   2) Any individual enrolled at TTUHSC as a student to earn course credit or to otherwise participate in TTUHSC academic programs, or who is accepted into a TTUHSC residency program;
   3) Students from other institutions of secondary or higher education who are participating as a part of an officially sanctioned educational agreement with TTUHSC, or are engaged in an educational tour conducted by TTUHSC staff;
   4) Individuals who are visiting fellows;
   5) Individuals who seek unpaid academic or research faculty appointments at TTUHSC;

---

1 This policy does not apply to individuals providing limited educational services, such as conference presenters or guest lecturers outside the laboratory setting.

6) Individuals who serve on TTUHSC Committees as community representative members.

To determine whether an individual should be classified as a TTUHSC Volunteer, contact the campus Volunteer Manager or Director of Volunteer Services at the campus involved.

b. **Volunteer Manager or Director of Volunteer Services.** The Volunteer Manager or Director is the individual responsible for selecting, managing, registering and overseeing TTUHSC Volunteers in accordance with this policy. A Volunteer Manager or Director shall be designated by each campus to oversee the volunteer program.

c. **Volunteer Supervisor.** The Volunteer Supervisor is the faculty or staff member identified by a School or Department to supervise volunteer services. Each Volunteer Supervisor is responsible for supervising TTUHSC Volunteers who provide the volunteer service in that School or Department. A Volunteer Supervisor may supervise more than one Volunteer at any given time. To the same extent, one Volunteer may be supervised by more than one faculty or staff member.

2. **Selection and Registration of TTUHSC Volunteers.**

a. **Authority to Select and Register TTUHSC Volunteers.** Each TTUHSC Volunteer must be processed and registered by the Volunteer Manager or Director at the applicable campus where the TTUHSC Volunteers will be providing volunteer services. b. **Eligibility Requirements of TTUHSC Volunteers.** Persons 14 years or older, including retired employees, students, alumni, and others may submit an application to provide volunteer services to TTUHSC.
   1) Volunteers cannot be coerced or pressured, in any way, into volunteering their services.
   2) Volunteers must offer their services without any promise, expectation or receipt of compensation for services or future employment.

c. **Foreign nationals must have a non-immigrant visa or evidence of lawful presence in the USA in order to engage in volunteer activities. TTUHSC’s International Employment Services Office will review visa status and lawful presence at the request of the Volunteer Services Manager or Director.**
   1) Foreign nationals and non-immigrant visa holders may only accept reimbursement for actual expenses and may not be paid reasonable benefits or a nominal fee, as this may be considered performing services for compensation and be considered employment;
   2) Foreign nationals and non-immigrant visa holders are not allowed to ‘temporarily’ volunteer in a position in which they were previously employed, or will be employed, by TTUHSC.
   3) If a foreign national’s volunteer activity is expected to last for more than 90 days, TTUHSC’s International Employment Services Office must be contacted.
