HSC OP: 70.07, Optional Retirement Program

PURPOSE: This policy, in conjunction with the Texas Tech University System Optional Retirement Program Plan document, will be the governing document for The Texas Tech University System Optional Retirement Program (ORP) along with applicable federal and state laws, and Texas Higher Education Coordinating Board (THECB) Rules, found at www.thecb.state.tx.us, Texas Administrative Code Chapter 25. It shall be interpreted in a manner so that it is consistent with the Internal Revenue Code of 1986, as amended, and its regulations there under, including, but not limited to, Section 403(b) thereof, and Section 830.001 et seq. of the Texas Government Code.

REVIEW: This HSC OP will be reviewed in October of each odd-numbered year (ONY) by the Managing Director of Payroll and Tax Services, with recommendations for revisions forwarded to the Vice President for Human Resources by February 15.

POLICY:

General Policy.

The Texas Tech University System (TTUS) shall provide employees in eligible positions the opportunity to participate in the TTUS Optional Retirement Program (ORP) in lieu of participation in the Teacher Retirement System (TRS) of Texas. In addition, each TTUS institution will have employee salary reduction policies and procedures in effect for the effective administration of the TTUS ORP in accordance with existing federal and state laws and regulations of the TTUS Board of Regents. The ORP is a tax deferred defined contribution retirement plan authorized under Section 403(b) of the Internal Revenue Code and Section 830 of the Texas Government Code.

PROCEDURES:

1. Eligibility to Elect ORP

A. Eligibility Criteria

An employee shall be eligible to make a once-per-lifetime irrevocable election of ORP in lieu of Teacher Retirement System (TRS) if all of the following criteria are met:

(1) ORP Eligible Position. Employment in an ORP-eligible position as defined in this section.

(2) 100 Percent Effort. Employment in an ORP-eligible position on a full-time basis (i.e., 100 percent effort) for a period of at least one full semester or four and one-half months.

(a) Initial Eligibility Period. This eligibility requirement is an employee’s initial ORP eligibility period.

(b) Combining of Percent Effort at Different Institutions Not Permitted. The 100 percent effort requirement shall be satisfied by employment with only one institution, unless an individual is simultaneously employed in ORP-eligible positions with more than one TTUS institution, in which case, the employee’s percent effort at each institution may be combined to meet the minimum 100 percent effort requirement;
(3) **First Election Opportunity.** No previous opportunity to elect ORP in lieu of TRS membership during the current or a prior period of employment at the same TTUS institution or another Texas public institution of higher education; and

(4) **Active Membership in TRS.** Established current membership or is eligible for active membership in TRS.

B. **ORP Participation after Election**

Once an employee makes an election to participate in ORP, the employee’s eligibility to continue participating in ORP shall be determined in accordance with the provisions of this policy.

C. **Non-Texas ORP Plans**

Prior enrollment, participation or vested status in any plan other than the ORP plan authorized under *Texas Government Code*, Chapter 830, shall have no bearing on an employee’s eligibility to elect ORP, except that the employee must be eligible for active membership in TRS.

D. **Opportunity to Elect**

Each TTUS institution shall provide an opportunity to all eligible employees to elect ORP in lieu of TRS.

E. **90-Day ORP Election Period**

An employee who meets the eligibility criteria in this section shall be provided an ORP election period, during which an election to participate in ORP may be made by signing and submitting a properly completed election form in the manner designated by TTUS. An election may be made through a TTUS institution’s Human Resources Office or electronically through Retirement Manager at [https://www.myretirementmanager.com/?ttu](https://www.myretirementmanager.com/?ttu).

(1) **Beginning and Ending Dates.** The 90-day ORP election period shall begin on the employee’s initial ORP eligibility date (first day of ORP-eligible employment) and shall end on the earlier of:

(a) the date the employee makes an ORP election; or

(b) the 90th calendar day after the employee’s initial ORP eligibility date, not including the initial ORP eligibility date and including the 90th calendar day. If the 90th calendar day after the initial ORP eligibility date falls on a weekend or holiday, the deadline shall be extended until the first working day after the 90th calendar day.

(2) **Written Notification.** Each TTUS institution shall, within 15 business days of an ORP-eligible employee’s initial ORP eligibility date, provide written notification to the ORP-eligible employee that indicates the beginning and ending dates of his or her ORP election period and the procedures for election of ORP.

(a) If the employer notifies the employee of his/her eligibility to participate in ORP after the first date of eligibility, but before the 91st day after the first day of eligibility, the employee must make his/her election before the later of the 91st day after the first day of eligibility or the 31st day after he/she was notified of eligibility.

(b) If the employer fails to notify the person of his/her eligibility to participate in ORP before the 91st day after the first day the person becomes eligible to participate, but notifies the person before the 151st day after the first day the person becomes eligible, the person must make his/her election before the later of the 151st day after the first day of eligibility or the 31st day after
he/she was notified of eligibility.

(c) If the employer fails to notify the person of his/her eligibility to participate in ORP before the 151st day after the first day of eligibility, the person is not eligible to elect to participate in OFP and must remain a participant of the TRS retirement plan.

(3) Once-per-Lifetime Irrevocable Election. An employee who is eligible to elect ORP shall have only one opportunity during his or her lifetime, including any future periods of employment in Texas public higher education, to elect ORP in lieu of the applicable retirement system, and the election may never be revoked.

(a) Default Election. Failure to elect ORP during the 90-day ORP election period shall be a default election to continue membership in TRS.

An employee of a Texas public institution of higher education who does not elect ORP in lieu of TRS during the 90-day ORP election period shall never again be eligible to elect ORP in lieu of TRS, even if subsequently employed in an ORP-eligible position at the same component institution or another Texas public institution of higher education.

(b) Irrevocable. An election of ORP shall be irrevocable. Except for the vesting and participation exceptions provided in Section 2 an employee who elects ORP shall remain in ORP.

(4) ORP Vendor Selection Required at Election. When an employee makes an election to participate in ORP the employee must select an ORP vendor from the TTUS list of currently authorized ORP vendors in conjunction with the election of ORP.

Failure to select and enroll with an ORP vendor from the TTU System list of currently authorized ORP vendors may result in disciplinary action up to and including termination of employment at the discretion of the TTUS institution.

(5) Waiver of Retirement System Benefits. An election of ORP shall be a waiver of the employee's rights to any benefits that may have accrued from prior membership in TRS, other than benefits resulting from transfers of service credit between the applicable retirement systems and reinstatement of withdrawn service credit under the ERS/TRS service transfer law, even if the participant has met the applicable ERS/TRS vesting requirement. Except as provided by subsections of this policy and the ERS/TRS service transfer law, an ORP participant shall not be eligible to become an active member of TRS or receive any benefits from TRS other than a return of employee contributions that may have been deposited with TRS (and accrued interest, if any).

F. Participation Start Date

The first day that ORP contributions are made shall be determined as follows.

(1) New Employees. For new employees who make an election through the benefits office of a TTUS institution or through the Texas Tech Retirement Manager online system, during the month in which their initial ORP eligibility date falls (i.e., first day of ORP eligible employment), the participation start date shall be the initial ORP eligibility date, provided that date falls before the payroll cutoff date for the month and employees make their election to participate in ORP before the payroll cutoff date for the month. If the initial ORP eligibility date falls after the payroll cutoff date for the month the employee will be enrolled for ORP participation beginning with the first day of the next month.

(2) Promotions, Reclassifications and Transfers within Same ORP Employer. Employees promoted, reclassified or transferred into an ORP-eligible position within the same or another TTUS institution, and who make an election through the
benefits office of a TTUS institution or through Retirement Manager during the month in which their initial ORP eligibility date falls (i.e., first day of ORP-eligible employment), the participation start date shall be the initial ORP eligibility date, provided that date falls on the first day of the month and employees make their election to participate in ORP before the payroll cutoff date for the month. If the initial ORP eligibility date is not the first day of the month, in order to avoid dual contributions to both TRS and ORP during the same month, the participation start date shall be the first day of the month following the month in which the initial ORP eligibility date falls.

(3) **Election after Month of Initial ORP Eligibility Date.** Employees who elect ORP after the month in which their initial ORP eligibility date falls, but before the payroll cutoff date for the month in which the election is made, may start participating on the first of the month in which the election is made rather than the first of the following month.

(4) **TRS Membership before Election.** ORP-eligible employees who elect ORP after their initial ORP eligibility date shall be reported as TRS members for any months prior to their election of ORP. Employee contributions (plus accrued interest, if any) that are made to TRS after an employee becomes eligible to elect ORP but prior to an election of ORP, including the month in which the ORP election is made, if applicable, may be withdrawn from TRS after an election of ORP is made.

**G. Active Membership in TRS Requirement**

Participation in ORP shall be an alternative to active membership in TRS. Therefore, since employees who have retired from TRS are no longer active members of TRS and cannot enroll in TRS should they return to work; ORP retirees are not eligible to elect ORP in lieu of TRS at a TTUS institution should they return to work.

**H. Automatic Teacher Retirement System Enrollment**

A new employee who is eligible to elect ORP in lieu of TRS shall be automatically enrolled in TRS until an election to participate in ORP is made.

**I. Dual Employment in TRS/ORP Positions at Different Employers**

(1) Simultaneous retirement plan membership is not permitted.

(a) **Dual Employment with Institution and Non-Higher Education TRS-Covered Employer.** A member of TRS who is employed in the Texas public school system (including all Texas Independent School Districts and regional educational service centers) or with any other Texas public educational institution or state agency that is covered by TRS but does not offer ORP in lieu of TRS, and who concurrently becomes employed in an ORP-eligible position with a TTUS institution and elects to participate in ORP, may not remain an active member of TRS as an employee of the non-higher education TRS-covered employer once ORP participation has started at the TTUS institution and no TRS contributions may be made by the non-higher education TRS-covered employer for that employee while he or she is actively participating in ORP. If the employee is required to return to active TRS membership, TRS contributions will resume as provided in Section 1.I.(2).

(b) **Dual Employment with Different Texas Public Institutions of Higher Education.**

(i) **Active TRS Membership not Permitted.** A member of TRS who is employed with a TTUS institution in a position that is eligible for TRS but is not ORP-eligible and who becomes concurrently employed with another Texas public institution of higher education...
in a position that is ORP-eligible and who elects to participate in ORP, may not remain an active member of TRS once ORP participation has started and no TRS contributions may be made by the TTUS institution for that employee while he or she is actively participating in ORP at another institution. If the employee is required to return to active TRS membership, TRS contributions will resume as provided in Section 1.I.(2).

(ii) Before Vesting in ORP. An employee who elects ORP at one institution while concurrently employed in what would otherwise be a TRS-eligible position at another institution is not eligible for ORP contributions based on the participant’s TRS-only employment prior to the employee vesting in ORP.

(iii) After Vesting in ORP. Once the employee vests in ORP the institution employing the participant in a position that would otherwise be eligible for TRS, shall enroll the individual in ORP.

(2) Returning to TRS

(a) Dual Employment with Institution and Non-Higher Education TRS-Covered Employer.

(i) Termination of Employment with a TTUS Institution. If the individual described in Section 1.I.(1)(a) above terminates all employment with the TTUS institution while concurrently employed in a TRS-eligible position with a non-higher education TRS-covered employer, then, regardless of ORP vesting status, the individual shall return to active TRS membership with the non-higher education TRS-covered employer and shall be ineligible for any future ORP participation in lieu of TRS, even if subsequently employed in an ORP-eligible position with the same TTUS institution or another institution.

(ii) Transfer to Non-ORP Eligible Position at a TTUS Institution. If, prior to meeting the ORP vesting requirement, the individual described in Section 1.I.(1)(b) above transfers to a position at the institution that is not ORP-eligible but is eligible for TRS, then the individual shall return to active TRS membership with both the TTUS institution and the non-higher education TRS-covered employer and shall be ineligible for any future ORP participation in lieu of TRS, even if subsequently employed in an ORP-eligible position with the same TTUS institution or another institution.

(iii) Transfer to Non-Benefits-Eligible Position at a TTUS Institution. An individual described in Section 1.I.(1)(a) of this subsection who transfers to a non-benefits-eligible position at the TTUS institution shall not be eligible for ORP contributions nor for active TRS membership and shall remain ineligible for TRS contributions at the non-higher education TRS-covered employer while employed in the non-benefits-eligible position at the TTUS institution. If this individual subsequently terminates all employment with the TTUS institution, then the provisions in Section 1.I.(2)(A)(i) above will apply.

(b) Dual Employment with Different Texas Institutions of Higher Education.

(i) Termination of Employment in ORP-eligible Position before Vesting. If, prior to satisfying the ORP vesting requirement, the individual described in Section 1.I.(1)(b) above terminates ORP participation by terminating employment or transferring to a non-ORP-eligible position with the same TTUS institution while concurrently employed in a TRS-eligible position with another Texas public institution of
higher education, then he or she shall return to active TRS membership and shall be ineligible for any future ORP participation in lieu of TRS, even if subsequently employed in an ORP-eligible position with the same TTUS institution or another institution.

(ii) Termination of Employment in ORP-eligible Position after Vesting. If, after satisfying the ORP vesting requirement, the individual described in Section 1.I.(1)(b) terminates employment in the ORP-eligible position by terminating employment with the TTUS institution or transferring to a non-ORP-eligible position while concurrently employed in a TRS-eligible position with another Texas public institution of higher education, then the individual shall not return to TRS membership and shall continue to make ORP contributions at the other institution based on the employment in the TRS-eligible position as provided in Section 1.I.(1)(b)(iii).

(iii) Transfer to Non-Benefits-Eligible Position. An individual described in Section 1.I.(1)(b) who transfers from the ORP-eligible position to a non-benefits-eligible position at the same TTUS institution shall not be eligible for ORP contributions at that institution and shall not be eligible for active TRS membership at either institution while employed in the non-benefits-eligible position.

(I) Termination Before Vesting in ORP. If this individual terminates employment in the non-benefits-eligible position before satisfying the ORP vesting requirement, then the provisions in Section 1.I.(1)(b) for an individual who terminates employment in an ORP-eligible position before vesting in ORP will apply.

(II) Termination After Vesting in ORP. If this individual terminates employment in the non-benefits-eligible position after satisfying the ORP vesting requirement, then the provisions in Section 1.I.(1)(b)(ii) for an individual who terminates employment in an ORP-eligible position after vesting will apply.

J. Administrative Errors

(1) Error Correction. In the event an administrative error occurs which prevents the normal processing of an ORP-eligible employee's election, the TTUS institution shall rectify the error as soon as practicable and in a manner that results in a situation that is as close to the originally expected outcome as possible, within applicable federal and state laws and rules.

(2) Documentation and Prevention. When an administrative error occurs, the TTUS institution shall:

(a) maintain documentation of the error and the actions taken by the TTUS institution to address the problem, with a copy placed in the employee’s personnel file; and

(b) immediately develop and implement appropriate administrative procedures to avoid such errors in the future.

(3) Failure to Notify Error. If a TTUS institution fails to notify an ORP-eligible employee of his or her eligible status on or before the employee’s initial ORP eligibility date, the TTUS institution shall notify the eligible employee as soon as the oversight is discovered. The 90-day ORP election period for the eligible employee shall begin on the date that the employee is notified and the participation start date shall be determined in accordance with Section 1.F.
K. Eligible Positions

The following positions shall be considered ORP-eligible. Only those TTUS employees who fill ORP-eligible positions and who meet the eligibility requirements established in this policy shall be eligible to elect ORP or to continue participating in ORP prior to vesting.

(1) **Faculty Member** - A member of the faculty whose duties include teaching and/or research as a principal activity, and who holds the title of professor, associate professor, assistant professor, instructor, lecturer, or equivalent faculty title, including “visiting professor” if the position is at least one full semester in duration.

(2) **Faculty Administrator** - An administrator responsible for teaching and research faculty whose principal activity is planning, organizing, and directing the activities of faculty and who holds the title of dean, associate dean, assistant dean, director, department chair, or head of academic department.

(3) **Executive Administrator** – A TTUS administrator who holds the title of chancellor, executive vice chancellor, vice chancellor, associate vice chancellor, assistant vice chancellor, or the equivalent, and a TTUS institution administrator who holds the title of president, executive vice president, provost, senior vice president, vice president, associate vice president, assistant vice president, or the equivalent.

(4) **Other Key Administrator** - An administrator other than a faculty administrator or an executive administrator whose position is considered a key administrative position within the TTUS institution’s organizational structure and that meets the requirements of this paragraph. The most common position titles in this category are executive director and managing director, but included titles may vary by institution based on differences in organizational structure, size, mission, etc. All positions in this category, including positions with the title of executive director or managing director, shall meet the following criteria:

   (a) serves as director or other administrative head of a major department or budget entity, excluding the title of assistant director unless the assistant director position has responsibility for what is considered a major department or budget entity that is within a larger department or budget entity.

   (b) is responsible for the preparation and administration of the budget, policies, and programs of the major department or budget entity;

   (c) usually reports to the office of a chancellor, president, vice chancellor, vice president, dean, or equivalent; and

   (d) is generally and customarily recruited from the same pool of candidates that other colleges and universities across the nation are recruiting from for this type of position by, for example, advertising in national publications such as the *Chronicle of Higher Education* or in newsletters or websites of national professional associations or at meetings of such associations.

   (e) A position shall not be considered ORP-eligible under this category unless it can be reasonably demonstrated that all of the applicable criteria have been met. If there is significant ambiguity concerning whether a position meets the criteria for this category, the default finding shall be that the position is not ORP-eligible.

(5) **Librarian**. A professional librarian who holds, at a minimum, a master's degree in library science or information science, and whose principal activity, is the provision of library services.
(6) **Athletic Coach.** An athletic coach, associate athletic coach, or assistant athletic coach whose principal activity is coaching, excluding an athletic trainer, and excluding an athletic director or assistant athletic director unless the principal activity is coaching rather than administrative.

(a) Athletic trainers may be included in the “professional” category if the position requires the trainer to be a physician.

(b) Athletic directors whose principal activity is not coaching normally shall be included in one of the administrator categories.

(7) **Professional.** An employee whose principal activity is performing the duties of a professional career position, including, but not necessarily limited to, physician, attorney, engineer, veterinarian and architect, that meets the following criteria:

(a) requires a terminal professional degree in a recognized professional career field that requires occupation-specific knowledge and appropriate professional licensure;

(b) is a non-classified position; and

(c) is generally and customarily recruited from the same pool of candidates that other colleges and universities across the nation are recruiting from for this type of position by, for example, advertising in national publications such as the *Chronicle of Higher Education* or in newsletters of national professional associations or at meetings of such associations.

(d) A position shall not be considered ORP-eligible under this category unless it can be reasonably demonstrated that all of the applicable criteria have been met. If there is significant ambiguity concerning whether a position meets the criteria for this category, the default finding shall be that the position is not ORP-eligible.

L. **Position-Required Qualifications**

An employee who meets the qualifications of a “professional” or a “librarian” shall not be considered eligible to elect ORP as a professional or librarian unless the position requires the professional or librarian qualifications, respectively, as a principal activity.

M. **Review of Positions for ORP Eligibility**

(1) **Comprehensive Review.** Each TTUS institution shall conduct, on a periodic basis, a comprehensive review of all non-classified positions to ensure that ORP eligibility requirements are being applied fairly and consistently across all departments and divisions.

(2) **New Position.** Each TTUS institution shall analyze newly created non-classified positions for ORP eligibility determination and shall maintain proper documentation of the analysis and determination for future reference.

(3) **Re-classified Position.** Each TTUS institution shall re-classify a position as ORP-eligible if changes in the position’s responsibilities or the TTUS institution’s organizational structure result in a position that meets the ORP-eligibility criteria set out in this policy.

(a) **Option to Elect ORP.** Each TTUS institution shall provide the incumbent in a position that is re-classified as ORP-eligible an opportunity to elect ORP as if newly hired into the position.

(b) **Initial ORP Eligibility Date.** The incumbent’s initial ORP eligibility date, shall be the date that the re-classification is effective, unless the re-classification
2. ORP Vesting and Participation

A. Vesting Requirement

An ORP participant shall be considered vested in ORP on the first day of the second year of active participation in ORP in lieu of TRS at one or more Texas public institutions of higher education.

1. **Year Defined.** For purposes of this subsection, a year shall mean twelve cumulative, but not necessarily consecutive, months of ORP participation.

2. **Leave-without-Pay.** A full calendar month of leave without pay shall not be included in the calculation of a year for vesting purposes.

3. **Summer Credit.** Because a year for academic faculty members does not normally include the three summer months, an academic faculty member shall be credited the three summer months toward vesting in ORP provided the faculty member is participating in ORP at the end of the spring semester immediately preceding the summer and resumes participation in an ORP-eligible position at the same or another Texas public institution of higher education at the beginning of the fall semester immediately following the same summer.

4. **More than One Period of Employment.** As provided in Section 2.C., partial vesting credit shall be retained when there is a break in participation prior to satisfying the vesting requirement. Therefore, the vesting requirement may be satisfied during more than one period of participation.

5. **Non-Texas ORP Plan.** The vesting requirement may not be satisfied by prior enrollment, participation or vested status in any plan other than the Texas ORP plan authorized under *Texas Government Code*, Chapter 830.

6. **Separate Vesting.** Because the election of ORP in lieu of TRS at a Texas public institution of higher education and the election of ORP in lieu of ERS as the Texas Higher Education Coordinating Board (THECB) shall be considered separate and distinct elections, the vesting requirement for ORP in lieu of TRS may not be satisfied by previous participation or vested status in ORP in lieu of ERS at the THECB. The vesting requirement for ORP in lieu of ERS at the THECB may not be satisfied by previous participation or vested status in ORP in lieu of TRS at a Texas public institution of higher education.

B. Once Vested, Always Vested

1. **Only One Vesting Period.** An ORP participant who satisfies the vesting requirement for ORP in lieu of TRS shall not be required to satisfy the vesting requirement again by any Texas public institution of higher education.

2. **Withdrawal of ORP Funds has No Effect.** A reemployed ORP participant's vested status shall not be affected by any partial or total withdrawals of ORP funds made after termination from a prior period of employment.

C. Partial Vesting Credit Retained

Unvested ORP participants shall retain partial vesting credit in the following circumstances.

1. **Termination of Employment.** An ORP participant who terminates employment in all Texas public institutions of higher education prior to satisfying the vesting requirement shall, upon returning to ORP-eligible employment with the same or a
different Texas public institution of higher education, retain credit for previous ORP participation in lieu of TRS.

(2) Leave-Without-Pay. An ORP participant who goes on leave without pay for a full calendar month or more prior to satisfying the vesting requirement shall, upon resuming active ORP participation with the same or a different Texas public institution of higher education, retain credit for previous ORP participation in lieu of TRS.

(3) Direct Transfers. An ORP participant, who, prior to satisfying the vesting requirement, directly transfers from one ORP-eligible position to another at the same or a different Texas public institution of higher education, shall retain credit for previous ORP participation in lieu of TRS.

(4) Withdrawal of ORP Funds has No Effect. An ORP participant’s partial vesting credit shall not be affected by any partial or total withdrawals of ORP employee contributions made after termination of employment.

D. Benefits of Vested Status

(1) Ownership Rights to Employer Contributions. A vested ORP participant shall have ownership rights to the employer contributions in his or her ORP accounts, meaning that, upon termination of employment with all ORP employers or reaching age 70-1/2, he or she may access both the employee and employer contributions (and any net earnings) in his or her ORP accounts.

(2) ORP Participation while in non-ORP-Eligible Position. A vested ORP participant shall remain in ORP even if subsequently employed in a position that is not ORP-eligible.

E. Unvested ORP Employer Contributions Forfeited

An ORP participant who terminates employment prior to meeting the vesting requirement shall forfeit all ORP employer contributions made during that period of employment. Except as provided in subsection 3.A.(12)(f), forfeited funds shall not be recoverable, even if the participant later satisfies the vesting requirement in a subsequent period of ORP-eligible employment. Such a participant shall be considered vested only in ORP employer contributions made during the subsequent and any future employment periods.

F. Employment in a non-ORP-Eligible Position

An ORP participant who terminates employment in an ORP-eligible position and becomes employed in a position that is not eligible for ORP, but is eligible for TRS participation, shall remain in ORP or become a member of TRS in accordance with the following provisions.

(1) Not Vested in ORP. An ORP participant who terminates employment in an ORP-eligible position prior to satisfying the ORP vesting requirement and who becomes employed in a position that is not eligible for ORP, but is eligible for TRS membership, shall become a member of TRS, and shall thereafter be ineligible to participate in ORP in lieu of TRS, even if subsequently employed in an ORP-eligible position and/or if membership in TRS is canceled through a withdrawal of employee contributions.

An ORP participant who elected ORP in lieu of TRS, who has not satisfied the ORP vesting requirement, who terminates employment in an ORP-eligible position, and who becomes employed with the same or another TTUS institution or other Texas public institution of higher education in a position that is not eligible for ORP, but is eligible for TRS, shall become a member of TRS for the remainder of his or her employment with any Texas public institution of higher education. This individual shall never be eligible to participate in ORP in lieu of TRS again, even if subsequently employed in an ORP-eligible position at the same or another Texas
public institution of higher education and/or if the individual cancels his or her TRS membership by withdrawal of employee contributions.

(2) **Vested in ORP.** An ORP participant who terminates employment in an ORP-eligible position after satisfying the ORP vesting requirement and who becomes employed in a position that is not eligible for ORP but is eligible for TRS, shall remain in ORP unless he or she became an active TRS member during a break in service prior to employment in the non-ORP-eligible position, in which case, he or she shall never be eligible for ORP in lieu of TRS again, even if subsequently employed in an ORP-eligible position and/or if membership in TRS was canceled through a withdrawal of employee contributions.

An ORP participant who has vested in ORP in lieu of TRS, who terminates employment in an ORP-eligible position, and who subsequently becomes employed with any Texas public institution of higher education in a position that is not ORP-eligible, but is TRS-eligible, shall continue to participate in ORP and shall not be eligible for TRS membership, unless he or she terminates employment with all Texas public institutions of higher education and becomes employed in a TRS-eligible position with the Texas public school system (e.g., Independent School Districts, regional educational service centers) or any other Texas public educational institution or agency that is covered by TRS but does not offer ORP in lieu of TRS, which will require the participant to become a member of TRS. Such an individual (i.e., one who has had active TRS membership since terminating ORP participation), upon becoming subsequently reemployed with any Texas public institution of higher education:

(a) shall not resume participation in ORP; and

(b) shall not thereafter be eligible to participate in ORP in lieu of TRS ever again, regardless of the individual’s previous ORP vested status, employment in an ORP-eligible position, or if the individual’s TRS membership was canceled by withdrawal of employee contributions following termination of employment from the TRS-covered position.

**G. Employment in a Non-Benefits-Eligible Position**

An employee who elected ORP in lieu of TRS and who terminates employment in the ORP-eligible position and becomes employed with the same institution or another Texas public institution of higher education in a non-benefits-eligible position shall not be eligible to participate in ORP (i.e., have contributions sent to the ORP vendor) for the period of time while employed in the non-benefits-eligible position.

An employee who is participating in ORP at one institution of higher education and who simultaneously becomes employed at another institution in a non-benefits-eligible position is not eligible to participate in ORP at the institution in which he or she is employed in a non-benefits-eligible position.

(1) **Definition.** For purposes of this subsection, a non-benefits-eligible position shall be defined as a position that is one or more of the following:

(a) less than 50 percent effort;

(b) expected to last less than a full semester or a period of four and one-half months (i.e., temporary); or

(c) requires student status as a condition of employment.

(2) **Combining of Percent Effort at Different Institutions Not Permitted.** When calculating an employee’s percent effort to determine whether a position is benefits-eligible as provided in this subsection, a TTUS institution shall include only the individual’s employment with that TTUS institution, unless the employee is simultaneously
employed with more than one TTUS institution. In this case, the employee's percent effort at each TTUS institution may be combined to meet the minimum 50 percent effort requirement.

3) Regardless of Vested Status. An employee shall not be eligible to participate in ORP while employed in a non-benefits-eligible position regardless of his or her ORP vested status.

4) No Effect on ORP Eligibility. Because a non-benefits-eligible position is not eligible for TRS, employment in a non-benefits-eligible position normally shall have no effect on an employee's ORP eligibility status upon his or her subsequent return to a benefits-eligible position, regardless of vested status.

H. TRS Membership after ORP Vesting

A vested ORP participant shall not be eligible for active membership in TRS unless he or she terminates all employment with the ORP employer and becomes employed in a position that is eligible for TRS with an employer that does not offer ORP. A vested ORP participant who elected ORP in lieu of TRS shall not be thereafter eligible for TRS membership, unless he or she terminates employment with all Texas public institutions of higher education and becomes employed in a TRS-eligible position with the Texas public school system (e.g., Independent School Districts, regional educational service centers) or any other Texas public educational institution or agency that is covered by TRS but does not offer ORP in lieu of TRS, which will require the participant to become a member of TRS. Such an individual, upon becoming subsequently reemployed with any Texas public institution of higher education:

1) shall not resume participation in ORP; and

2) shall not thereafter be eligible to participate in ORP in lieu of TRS ever again, regardless of the individual's previous ORP vested status, employment in an ORP-eligible position, or if the individual's TRS membership was canceled by withdrawal of employee contributions following termination of employment from the TRS-covered position.

I. ORP Retirees Not Eligible to Participate

ORP retirees, who later return to employment with the same or another Texas public institution of higher education, shall not be eligible to participate in ORP, with the following exceptions:

1) ORP retirees who enrolled in retiree group insurance on or before June 1, 1997;

(5) ORP retirees who meet the exceptions described in paragraphs (1) through (4) of this subsection shall not be considered eligible to participate in ORP or elect ORP in lieu of TRS from which they did not retire unless they meet the same eligibility criteria as employees who have not established ORP retiree status.
