HSC OP: 70.11, Appointments to Non-Faculty Positions

PURPOSE: The purpose of this Health Sciences Center Operating Policy and Procedure (HSC OP) is to establish responsibility and policy regarding the appointment of all staff employees. This does not include the appointments of Postdoctoral Fellow.

REVIEW: This HSC OP will be reviewed on March 1 of each odd-numbered year (ONY) by the Assistant Vice President for Human Resources, with recommendations for revisions forwarded to the Executive Vice President for Finance and Administration by March 15.

POLICY/PROCEDURE:

1. Policy
   a. Purpose
      
      The mission of TTUHSC is to provide excellence in the education of health care professionals to serve the West Texas region, the state of Texas, and the nation through innovations in technology, research, and patient care. To realize these goals, it is the policy of TTUHSC to identify, recruit, and select highly qualified and diverse staff.

   b. Objective
      
      The objective of this policy is to standardize and enforce staff recruitment processes in order to employ an outstanding and diverse workforce. To accomplish this objective, TTUHSC shall conduct thorough searches that include the active recruitment of qualified women, minorities, protected veterans and former foster youth who may be eligible for a preference under Texas Government Code Chapters 657 and 672, and individuals with disabilities. The specific information for hiring Postdoctoral Fellows, Student employees and Faculty can be found in the following policies: Postdoctoral Fellows TTUHSC OP 70.29, appointment of student employees TTUHSC OP 70.27, and faculty recruitment procedures TTUHSC OP 60.09.

   c. Legal Basis
      
      The task of building a truly diverse community requires a comprehensive Affirmative Action Program (AAP), as do federal mandates. TTUHSC has developed an AAP that meets the requirements of Executive Order 11246 and Department of Labor’s Office of Federal Contract Compliance Program (“OFCCP”) Title 41 C.F.R. § 60. As a federal contractor and recipient of federal funds, TTUHSC is subject to the requirements for federal contractors under Executive Order 11246 and OFCCP implementing regulations.

      All appointments shall be on the basis of qualifications and suitability without regard to race, color, religion, sex, age, genetic information, national origin, or status as a protected veteran or individuals with disabilities and in keeping with the laws and regulations of the State of Texas and Regents’ Rules, Section 03.01.09, Equal Employment Opportunity and all federal laws.
2. Definitions

a. Diversity

The term diversity includes the traditional categories of race, color, gender, individuals with disabilities, and other non-traditional categories.

b. Underrepresented Minority

Underrepresented minority (URM) means those groups that are insufficiently or inadequately represented at TTUHSC relative to their numbers in the general population.

c. Equal Employment Opportunity (EEO)

In compliance with state and federal law, TTUHSC will not discriminate against any applicant for employment because of race, ethnicity, color, religion, sex, national origin, age, individuals with disabilities, genetic information, sexual orientation, gender identity or status as a protected veteran.

d. Affirmative Action

As a federal contractor, TTU System and its covered components are mandated to eliminate discrimination in its selection and hiring practices. As such, TTUHSC has adopted this goal and through its comprehensive affirmative action plan (AAP), TTUHSC has standardized and enforced its steadfast commitment to a staff recruitment and hiring process that ensures the richness and diversity that characterize the demography of our State. However, TTUHSC will not accomplish this goal by using "quotas" or adopting any process or practice that contradicts or violates the spirit of its EEO policies. As an EEO / Affirmative Action institution, TTUHSC instead will meet its goals by using all reasonable efforts to increase the number of qualified URM or otherwise diverse applicants in its hiring pools.

e. Staff Search

The search process includes all activities used to hire staff at TTUHSC; including advertisement of the position, applicant screening, selection and hire.

f. Hiring Manager

The Hiring Manager acts as the committee’s facilitator and official spokesperson. The Hiring Manager establishes the overall plan for the search and articulates expectations to the hiring team. The Hiring Manager leads the development of the recruiting plan, manages the search process, and is responsible for ensuring the search follows EEO and TTUHSC policies and procedures.

g. Search Coordinator

The Coordinator serves as the administrative support to the search committee and Hiring Manager. In coordination with the Hiring Manager, the Coordinator ensures all processes are followed in accordance with TTUHSC administrative guidelines; completes all paperwork associated with the search and manages record retention. The Coordinator takes the minutes of all search committee meetings and advises the committee about recruiting sources and serves as the Human Resources (HR) point of contact. The Coordinator has no voting rights on candidate decisions.
