Certification for Non-HSC or Medical Students Requesting Graduate Teaching or Research Assistantships at a TTUHSC Graduate School

This completed form must be submitted through a TTUHSC department for any student NOT enrolled in a TTUHSC Graduate Program.

It is the responsibility of the employing department to obtain this information certifying that the person requesting a Graduate Teaching or Graduate Research Assistantship at TTUHSC is a full-time, currently enrolled student. Processing of an ePAF cannot be completed until this certification is received by the employing department.
