

Dear Dr. and Mrs. Berk,

My name is Carter Chapman, and I am an incoming medical student from Trophy Club, Texas. Thank you for supporting the School of Medicine Stethoscopes for Students program. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. It has been a dream of mine to attend medical school for as long as I can remember, and your gift is part of my formative steps in achieving my lifelong goals. Thank you again for your support.

*Sincerely,
Carter Chapman*

Dear Dr. and Mrs. Berk,

My name is Denizhan Kara, and I am an incoming medical student from New York City. Thank you for supporting the School of Medicine Stethoscopes for Students program. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. This moment has been a dream of mine since I was a child shadowing my mom in hospitals. These trips the patients I interacted with and my ability to empathize with and understand others illuminated my desire to be a physician. My dream has finally become a reality. Thank you again for your support.

*Sincerely,
Denizhan Kara*
