

Dear Drs. Chatwell,

I want to thank you so much for the generous gift of a stethoscope. My name is Robert Blake Fountain, an incoming medical student from Houston, Texas. I wanted to attend TTUHSC after my initial visit and seeing how supportive and friendly the staff students and community were. Everyone here wants to see us succeed and will do everything they possible can to help us on this journey. This branded stethoscope you have given me just goes to show that and your generosity to the School of Medicine Stethoscopes for Students program is greatly appreciated!

*Sincerely,
Robert Fountain*
