

Dear Drs. Day,

My name is Joey Almaguer, and I am an incoming medical student from San Antonio, Texas. I am writing to say thank you for supporting the School of Medicine Stethoscopes for Students. Your generosity has allowed me to receive a TTUHSC branded stethoscope this year. One of the big reasons for why I chose TTUHSC School of Medicine as the medical school to attend was because of its affordability--and your special gift has complimented that. Thank you again for all of your support.

*Sincerely,
Joey Almaguer*
