

Dear Dr. Ellison-Raedeker,

I would like to sincerely express my gratitude for the gift of a stethoscope. My name is Madison, and I am an incoming medical student from San Marcos, Texas. I can't wait to begin using it as I pursue my career as a physician. This gift reminds me of the community and support among physicians that I look forward to becoming a part of and continuing to pass on one day. Thank you for your support of the School of Medicine and Stethoscopes for Students.

*Sincerely,
Madison Taylor*

Dear Dr. Ellison-Raedeke,

My name is Rachel Johnson; I am an incoming medical student from Lubbock, Texas. Thank you for supporting the School of Medicine Stethoscopes for Students. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. TTUHSC was the only medical school interview that I attended where I felt both valued and welcome by each student and faculty member. Additionally I am an aspiring primary care physician and this school offers excellent preparation for students pursuing this field. I feel privileged to attend this school and work in this field.

*Sincerely,
Rachel Johnson*
