

Dear Dr. Fogarty,

I My name is Madison Hayes, and I am an incoming medical student from Southlake, Texas. As you know preparing to attend medical school is a long and grueling process. There are times when you start to question if all this hard work is actually worth the outcome. However as I hold the stethoscope your donation provided in my hands there is not a doubt in my mind that my years of hard work was worth it. I will carry this stethoscope for the next four years and into my practice of medicine as a symbol of perseverance and determination. Thank you again Dr. Fogarty for your generosity.

*Sincerely,
Madison Hayes*

Dear Dr. Fogarty,

I would like to sincerely express my gratitude for you sponsoring my stethoscope. This stethoscope is an honor to me and reminds me of the journey I am beginning to make a difference in people's lives. Thank you for your support of the School of Medicine and Stethoscopes for Students program. I will remember your support as I continue my journey to become a physician.

*Sincerely,
Kristina Cross*
