

Dear Dr. Grant,

I want to thank you for the gift of a stethoscope. Receiving this stethoscope is a great rite of passage for all medical students. It made me feel very happy to be in a supportive and loving environment for the next four years. Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated.

*Sincerely,
Britney Reese*

Dear Dr. Grant,

I would like to sincerely express my gratitude for the gift of a stethoscope. My name is Marvelyn Iweh, an incoming medical student from Katy, Texas. The stethoscope that you have generously gifted to me will first be used solely as a tool to practice the skills that I will learn to become a competent and compassionate physician. Then I will use your gift to listen to the expressed (and unexpressed) concerns of my future patients to determine the next best steps of their care. Moreover this stethoscope will serve as a reminder of the physicians that came before me who are supporting me and motivating me to support the next generation of physicians.

*Sincerely,
Marvelyn Iweh*

I chose to the path of becoming a physician because I aspire to be able to improve others' quality of life through health. This stethoscope is the first step in allowing me to achieve this goal. Thank you again for your support.
