

Dear Drs. Jumper and Norman,

Thank you for sponsoring my stethoscope. My name is Arden Perabo, and I am an incoming medical student from Corpus Christi, Texas. I am looking forward to using the stethoscope as I begin my training to become a physician. Over the years to come, whenever I use this stethoscope it will serve as a reminder of the experienced physicians like you who have supported my journey to becoming the best physician I can be.

*Sincerely,
Aden Arden Perabo*

Dear Drs. Jumper and Norman,

I would like to sincerely express my gratitude for you sponsoring my stethoscope. This stethoscope is an honor to me and reminds me of the journey I am beginning to make a difference in people's lives. Thank you for your support of the School of Medicine and Stethoscopes for Students program. I will remember your support as I continue my journey to become a physician.

*Sincerely,
Camila Conde*

Dear Drs. Jumper and Norman,

My name is Rachel Vopni an incoming medical student from Dallas Texas. Thank you for supporting the School of Medicine Stethoscopes for Students. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I want to be a physician to use my talents passions and intellect to help others in a way that is respectful collaborative and promotes the wellbeing of all people. Thank you again for your support.

*Sincerely,
Rachel Vopni*

Dear Drs. Jumper and Norman,

My name is Sirin Falconí, and I am an incoming medical student. I am honored to receive a TTUHSC stethoscope before starting my journey to become a physician. Your generosity will not be forgotten, and I hope to pay it forward to other students in the future. Thank you for this wonderful gift.

*Sincerely,
Sirin Falconí*

Dear Drs. Jumper and Norman,

My name is Stephanie Stringer an incoming medical student from Waco TX. Thank you for supporting the School of Medicine Stethoscopes for Students. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I chose TTUHSC because I felt welcomed and valued by all the faculty staff and students on my interview day. I knew this would be an environment I could thrive in and become the best physician I can be. Thank you!

*Sincerely,
Stephanie Stringer*
