

Dear Dr. Wolcott,

*I would like to sincerely express my gratitude for the gift of a stethoscope. My name is Mays Alshaikhsalama, and I am an incoming medical student from Dallas, Texas. This was my favorite part of opening my gift bag during the white coat parade. Traditionally we would have a white coat ceremony but because of COVID, this was the alternative. It was still a lot of fun; Thank you so much for making this day possible for me and for supporting me in my future in medicine.*

*Sincerely,  
Mays Alshaikhsalama*

Dear Dr. Wolcott,

*My name is Jacob Harder, and I am an incoming medical student from Keller, Texas. Thank you for supporting the School of Medicine Stethoscopes for Students program. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I am so excited and honored to be able to use this stethoscope throughout my medical training. I chose the TTUHSC School of Medicine because of how involved the faculty and staff are in the students' success. I am glad that the alumni like you are so involved in our success as well. Thank you again for your support*

*Sincerely,  
Jacob Harder*
