

Dear Dr. Kiehne,

I want to thank you for the gift of a stethoscope. My name is Benjamin Johnson, and I am an incoming medical student from Watauga, Texas. The process of beginning my medical school journey has been intimidating. It was several big steps for me and my family. Receiving the School of Medicine stethoscope was a great sign that I was welcome and a great source of encouragement for me. Thank you! Your generosity of the School of Medicine Stethoscopes for Students program is greatly appreciated.

*Sincerely,
Benjamin Johnson*
