

Dear Dr. Robinson,

I would like to sincerely express my gratitude for the gift of a stethoscope. My name is Mike Travis. I am a first-year medical student and Texas native. The stethoscope you have provided is of excellent make and quite versatile. It will allow me far more diagnostic precision than I would have otherwise at a time when I need to learn proper listening skills. Thank you for your support of the School of Medicine and Stethoscopes for Students.

*Sincerely,
Micheal Travis*
