

Dear Dr. Maki,

I would like to sincerely express my gratitude for the gift of a stethoscope. My name is Daemar Jones, and I am an incoming medical student from Arlington, Texas. With this being my first stethoscope ever received, I plan to use this gift to the fullest in my medical career. I plan to keep this gift as a reminder of how blessed I am to be a future physician. I will use this throughout my four years of medical school as I study proper clinical skills. Thank you for your support of the School of Medicine and Stethoscopes for Students program.

*Sincerely,
Daemar Jones*
