

Dear Dr. Moon,

I want to thank you for the gift of a stethoscope. My name is Abiodun Okimi, and I am an incoming medical student from Midland, Texas. Along with the white coat, receiving this stethoscope filled me up with so much joy as it served as a reminder to me that I have actually made it. Getting into medical school and becoming a doctor has been my dream since I was young. Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated.

*Sincerely,
Abiodun Okimi*

Dear Dr. Moon,

My name is Zoe Davis, and I am an incoming medical student from Houston. Thank you for supporting the School of Medicine Stethoscopes for Students. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I chose TTUHSC because of the strong sense of community, and your donation only reinforced this feeling! Thank you!!

*Sincerely,
