I want to thank you for the gift of a stethoscope. I am so appreciative of this gift and so excited to begin my medical training! Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated. It means so much to receive my stethoscope from an alumni, thank you for believing in me.

Dear Dr. and Mrs. Morris,

My name is Sheldon Baty, and I am an incoming medical student from Knox City, Texas. This stethoscope made me feel both supported and valued as a medical student in this community. I wanted to come to TTUHSC because I knew I wouldn't be seen as just another student, but a student with purpose. Thank you for sponsoring my stethoscope, and I will remember your generosity through my time here.

*Sincerely,
Sheldon Baty*

Dear Dr. and Mrs. Morris,

My name is Danielle Rubio, and I am an incoming medical student from Midland, Texas. Thank you so much for the stethoscope that I received. Just a few weeks prior I read that we needed one and did not realize until then how expensive they were. Your gift alleviated some of the financial burden, and I am truly thankful. Additionally receiving it with the TTUHSC symbol serves as a constant reminder of how grateful I am for this particular school, and I know you feel the same. Thank you!

*Sincerely,
Danielle Rubio*

Dear Dr. and Mrs. Morris,

My name is Tina Zhu, and I am an incoming medical student from San Antonio, Texas. Thank you for supporting the School of Medicine Stethoscopes for Students.
