

Dear Dr. Motheral,

My name is Maria Batchinsky, and I am an incoming medical student from San Antonio Texas. Thank you for supporting the School of Medicine Stethoscopes for Students program. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I have dreamed of this day for such a long time, and I cannot believe that it's finally here! I want to be a doctor so that I can be a liaison for the people of my community-in healthcare and in the civil realm as well. I am grateful to be here and am thankful for your donation.

*Sincerely,
Maria Batchinsky*

Dear Dr. Motheral,

Thank you for supporting the School of Medicine Stethoscopes for Students program. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I chose TTUHSC because of the collaborative environment and support from the faculty. Since arriving to TTUHSC, everything has confirmed I made the correct choice. Thank you again for your support.

*Sincerely,
Elisa Biondo*
