Dear Dr. Phillips,

My name is Canice Dancel, and I am an incoming medical student from Dallas, Texas. Thank you for supporting the School of Medicine Stethoscopes for Students. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I chose to attend medical school because I want to help others and teach them how to prioritize their health and others. I am also looking to challenge and be led by mentors. Thank you again for your support.
